LODGE TALKS FOR TOLLS REPEAL

Ridicules Denunciations of Re-
peal by Enemies of the
Measure

INCIDENTALLY SCORES
WILSON MEXICAN POLICY

Committee Held Hearings on
Resolution, Taking Evidence
of U. S. Senators

WASHINGTON, April 9.—Comparing the outbursts of the opponents of the "surrender" of Panama Canal rights to Ajax defying the lightning that did not exist, Senator Lodge advocated in the Senate the repeal of the Sims resolution providing for the repeal of the exemption clause of the Panama Canal Act. He said:

"No courage is required to insist on passing our ships without tolls. No physical danger is incurred. The attitude of Ajax is not inspiring if there is no lightning to fear. The outburst of subservience to England is unworthy of consideration. America is too great to be subservient to any one."

Referring to recent declarations in Congress that Americans were ready to defend the free tolls attitude with arms, Senator Lodge said he marveled at the indifference shown to the "murder of one hundred and fifty Americans not many miles from our own border." He asserted that international distrust of America will be aggravated by a "thing so useless as to subsidize a class of ships not needing a subsidy."

"As I have listened to the stirring declarations of our readiness to face the world in arms in defense of the tolls exemptions, about which no country would think of fighting," he said, "there have been moments when I have marveled also at the violated rights and unavenged deaths of innocent people who have gone unheeded. Now we make heroes about the canal tolls where there is no peril to any one, and it seems particularly out of place."

ON OLD OPTION HE SUES FOR OIL LAND

A fight for possession of oil lands worth many hundreds of thousands of dollars has been started in the superior court at San Bernardino by August Billa of Fullerton.

The suit is over the possession of 440 acres near the Orange-San Bernardino county boundary line, and on which Billa, about thirteen years ago, secured an option at \$45 an acre, and which still stands of record. Billa went to Mexico, and spent seven years there, and has only recently realized the value of the holdings, to which he claims the right to purchase.

Attorney M. O. Graves of Los Angeles represents Billa in the suit, which is against F. H. Rowley and others of Los Angeles.

WANTS REBATE FOR DEAD DOG'S LICENSE

VENICE, April 9.—Don C. Bitter, deputy tax and license collector and candidate for city treasurer on the Independent ticket, received a telephone message today from Mrs. Flora McLean, owner of several fancy Boston terriers, asking that a check for \$1.50—the amount of the dog license—be returned to her on the ground that the puppy died on the day that the license number was obtained. Mrs. McLean has left for Seattle, Wash., but stated over the telephone that while the amount involved was small, she thought she was entitled to the "rebate." Bitter referred the request to City Attorney Byron Hanna for a legal opinion.

HARD QUAKE STRIKES HEALDSBURG TODAY

HEALDSBURG, Cal., April 9.—A hard earthquake was felt here at 9:45 o'clock today. The people rushed into the streets, many of them refusing to return to their homes for hours. Only minor damages were sustained.

French Senate Urges Exhibit at 'Frisco Fair

FRENCH (INDENT)
PARIS, April 9.—The Republican Senate Committee on Commerce and Industry today adopted a resolution urging the government to appropriate funds for a French exhibit at the 1915 exposition. The resolution read: "By reason of the growing importance of our transactions with the United States, it is most important that France participate in the industrial and commercial manifestations to be staged in San Francisco. It is our desire to have Parliament vote the money necessary for official participation."

Bulletins of News

Hot from the wire up to 3:30 p. m.

THE WEATHER

Unsettled tonight and Friday; probably showers; southerly winds.

King Gustave Under Successful Operation

STOCKHOLM, April 9.—King Gustave was successfully operated upon today for ulcer of the stomach. The doctors now predict his entire recovery.

Scraps May Recover, Say His Physicians

PASADENA, April 9.—William A. Scripps, the Altadena millionaire, who is critically ill with pneumonia and heart affection, passed a good night. The doctors believe that he will recover.

ARE TO HAVE ALLEYS PAVED

Number of Important Improve-
ments Being Made at
Mother Colony

ANAHEIM, April 9.—Through the efforts of J. W. Duckworth, president of the Board of Trade, the proposition to pave the alleys throughout the business section of the city became an assured thing in the appointment of John Zeigler and H. E. Strodtman as a committee to present a petition to the members of the City Council at the next regular meeting. In every instance the property owners have accepted the proposition favorably as it is believed that paved alleys will greatly improve the business facilities.

This improvement will come simultaneous with the installation of ornamental lighting posts at which time it is understood that all wooden poles used for the transmission of power, electric and telephone poles will be removed to the alleys, where an underground system of wiring will be employed. These propositions are of the many that will be adopted by the progressive citizens who are active in making Anaheim a "city beautiful."

UNION MEETING ON FRIDAY AT REDLANDS

REDLANDS, April 9.—A big union Good Friday service will be held at the First Presbyterian church here Friday. It will be a three-hour service, beginning at noon. There will be fifteen-minute addresses on The Last Seven Words and the following will speak: The Rev. W. B. Craig, Christian Church; the Rev. H. E. Murkett, First Methodist; the Rev. N. D. Hyson, Presbyterian; the Rev. A. E. Isham, Lutheran; the Rev. F. D. Ashleigh, Grace M. E.; the Rev. F. B. Matthews, Baptist; and the Rev. Herbert Jump, Congregational.

DENVER, April 9.—The building and managing of irrigation projects in the West and the ways and means of financing such work will be considered at the Irrigation Conference called by Secretary of the Interior Franklin K. Lane which began here today. In addition to several irrigation and reclamation experts from the Department of the Interior, representatives are present from Arizona, California, Colorado, Idaho, Wyoming, Montana, Nevada, New Mexico, Oregon, North and South Dakota, Utah and Washington.

Secretary Lane's original call stated that the conference would be devoted "especially to the consideration of methods of co-operation in reclamation and irrigation work between the states and the federal government." With a view of furthering such co-operation, Governor Ammons, of Colorado, and Gov. J. Carey, of Wyoming, called the meeting of Western governors Tuesday to agree on a program for today's meeting. As a result, it was expected that many of the governors would be able to stand together on a program of development.

TRIANGLE TRIP FOR BEACH C. OF C.

Nearly 200 Members of Long
Beach Chamber to Lunch
Here Saturday

VISITORS TO BE
GIVEN AUTO RIDES

Local Commerce Secretary
Arranging Royal Greeting for
the Visitors

From 150 to 200 members of the Long Beach Chamber of Commerce are expected in Santa Ana Saturday between 12 o'clock and 2 p. m.

The visitors will arrive here in special cars, traveling over the Triangle Trolley trip. They are to leave the Long Beach Chamber of Commerce building at 9 a. m., returning to the beach city about 5:30.

Secretary Metzgar of the local Chamber is making arrangements to take the visiting Long Beach people on an automobile ride, immediately after luncheon, which is scheduled for 12 o'clock. Many Santa Ana people who have automobiles have already signified their willingness to help boost by giving the beach commerce men a ride to the east of the city. It is proposed to visit Hewes Hill, Lemon Heights, Tustin and then back to Santa Ana. The route taken by the special cars will be this: Long Beach to Point Firmin, Watts, Santa Ana, Huntington Beach, Balboa and return to Long Beach.

GET TOGETHER DINNER
FOR G. O. P. IN CHICAGO

CHICAGO, April 9.—Prominent Republicans from all sections of the Middle West were expected to attend the big get-together meeting and dinner to be held tonight in the Medinah Temple under the auspices of the Hamilton Club. Special invitations to the dinner were sent to all women voters of the state, and many of the fair voters are expected to attend. Among some of the prominent Republicans who have promised to attend and speak are Senator A. B. Cummings of Iowa, Governor John K. Tener of Pennsylvania, Congressman James Mahan of St. Paul, Congressman Simon D. Fess of Yellow Springs, Ohio, and District Attorney Charles S. Whitman of New York.

ASIATIC EXCLUSION IS
DELAYED BY COMMITTEES

WASHINGTON, April 9.—Consideration of the Asiatic exclusion bill by the House Immigration committee was again postponed because of the absence of Chairman Burnett. The committee will probably meet on Monday when the Pacific Coast members will press Japanese exclusion legislation along with the proposed Hindu exclusion.

HABEAS CORPUS FOR THE RELEASE 'MOTHER' JONES

DENVER, April 9.—A writ of habeas corpus for the release of "Mother" Jones, the woman strike leader, was issued today by the State Supreme Court, returnable in ten days. The woman was jailed for activities in connection with the coal strike now on in the Colorado fields.

JUDGMENT ENTERED

ONTARIO, April 9.—Judgment was rendered against the Chaffey High School of this city yesterday in the amount of \$2140 when the case of the Blinn Lumber Company of Ontario and Los Angeles to collect \$10,000, alleged to be due for lumber when Contractor Upton went bankrupt, was heard. The American Surety Company, which stood good for Upton's bonds, was also named in the suit and judgment was rendered against them for something over \$7000.

BRYAN WEAK FROM GRIPPE

WASHINGTON, April 9.—Secretary Bryan was at his desk today for the first time in five days. He is still weak from an attack of gripp. He kept his chair while receiving visitors today.

KNIGHTS TEMPLAR TO CONFER ORDER OF MALTA

POMONA, April 9.—Delegates of Knights Templar from Long Beach, Ontario, San Dimas, Covina and other Southern California cities will gather here tonight to witness the conferring of the Order of Malta. The commanderies will hold Easter services at Whittier on Sunday.

Fruit and Vegetables Killed by
Frost—Northern Texas
Covered With Snow

DALLAS' COLDEST APRIL
FOR PAST TWENTY YEARS

Chicago Gardens Nipped; Mid-
dle Western States Shivering
in Return of Winter

ST. LOUIS, April 9.—The South Central and Gulf States were swept by a cold wave between midnight and daybreak last night. Vegetables and fruits in many localities were killed by the frost. Tennessee, Arkansas, Mississippi, Oklahoma and Texas were the southern states affected.

Northern Texas is covered with snow. A warm sun shone today and the mercury is rising.

Fruit Damaged in Texas
DALLAS, Texas, April 9.—Damage to peach and other fruit crops as the result of the coldest April in twenty years, is stated today to have reached millions.

Winter is back in the Texas Panhandle with a temperature of 10 degrees above zero yesterday. All the fruit in this section, it is believed, has been killed. An inch of snow has fallen.

Chicago Suffers

CHICAGO, April 9.—Chicago suffered yesterday with winter cold that froze gardens and caused suffering. A strong wind sent the thermometer down to 20 degrees last night. The Middle West is suffering clear down to the Oklahoma-Texas line. Moreover, there is no promised relief for a day or two from this pressure of chilly temperature.

Kansas Peaches Injured

KANSAS CITY, Mo., April 9.—The peach crop in Kansas is seriously damaged by the unseasonable cold weather.

Winter in New Orleans

NEW ORLEANS, April 9.—Linen suits and straw hats disappeared from the streets of New Orleans yesterday and overcoats were brought out. Early last night the weather bureau reported 33 degrees above zero, with more cold weather expected.

NEXT "GET TOGETHER" LUNCHEON ON APRIL 28

A meeting held last night at the Merchants & Manufacturers' headquarters in the City Hall resulted in the selection of April 28 as the day for the next "Get-Together" luncheon.

COMMONPLACE NEIGHBORS FOR JOHN D. ROCKEFELLER

CLEVELAND, April 9.—Workmen were busy today marking off the building lots on a forty-acre tract adjoining the Forest Hill estate of John D. Rockefeller. Before long a small city of little homes will spring up, the richest man in the world—if he returns to Ohio despite tax commissioners—will have a horde of just common folk for neighbors. The tract was sold to a land company several weeks ago for \$250,000. Modest homes are to be erected at once.

FOREIGN INTERESTS IN PERIL AT TAMPICO

German Concern Burns---Waters-Pierce
Oil Co. Properties Destroyed---Bat-
tle Still Raging

WASHINGTON, April 9.—Complete destruction of the Waters-Pierce Oil properties at Tampico by the rebels was reported today in a dispatch to the state department. The loss is estimated at half a million. The dispatch said that "wireless reports indicate that the situation at Tampico in regard to foreign property is complicated and serious. The Waters-Pierce oil refinery was occupied by rebels today. As a consequence it was under the fire of the federal gunboats. The loss of the entire property is feared. The warehouses of the Agencia Commercial Company, a German concern, has been burned."

ASKS CARRANZA TO ALLOW RETURN OF SPANIARDS

WASHINGTON, April 9.—Further representation is being made today to Gen. Carranza concerning the deportation of the Spaniards from Torreon, according to Secretary Bryan. Torreon has requested the state department to act and Bryan's agents are trying to arrange for the return of the exiles to Mexico. The Spaniards still remain at El Paso. The destitute are being cared for by American agents. More than one hundred more arrived there during last night. The condition of many is pitiable and several are ill.

FEDERALS CLAIM VICTORY IN BATTLE AT TAMPICO

VERA CRUZ, April 9.—Federal of-

ORANGE LEAGUE PLAN MEETS FAVOR

W. H. Smiley, an orange grower and real estate man of Whittier, came to Covina Wednesday afternoon to discuss the possibilities and the probabilities of organizing a Whittier-California Orange Boosters League.

Five orange men from Claremont who attended the mass meeting held here Tuesday night asked the speakers of the evening to talk to the growers in the Claremont district and promised to call a mass meeting in their town, that a Claremont-California Orange Boosters League might be brought into being. A request has also been received from Placentia growers for a hearing.

COVINA CITRUS DISTRICT TAKES FIRM HOLD OF NEW BOOST- ING PROJECT

COVINA, April 9.—As a result of the mass meeting held here Tuesday night by the Covina-California Orange Boosters League, every city in the citrus belt is making plans for the organization of similar clubs. Acting Mayor Tifal of Monrovia has requested the officers of that body to address a mass meeting to be held in the Monrovia Board of Trade building at 2 o'clock Saturday, April 11, the purpose being to create a Monrovia-California Orange Boosters League to be affiliated with the league already existing in Covina.

A. R. Evans, president of the Covina Boosters; F. R. Greenleaf, secretary; D. L. Stafford, president of the Covina Heights Groves and vice-president of the league; H. A. Miller, secretary of the Irwindale Citrus Association; E. P. Warner, a Covina merchant, and Professor G. W. Monroe, an orange grower and teacher of chemistry in the Los Angeles schools, will attend this meeting and explain to the citrus growers of Monrovia why the California Orange Boosters have organized and what their purpose is in so doing.

To advertise California oranges in every land under the sun, and to eliminate the sale of culls on the Pacific coast, thereby creating a greater demand for our good fruit both at home and abroad—this, in short, is what the California Boosters are striving to do.

A congratulatory telegram was received Wednesday morning by F. R. Greenleaf, secretary of the Covina-California Orange Boosters League, from R. M. Remfro, secretary of the San Bernardino Chamber of Commerce, who in the name of the people of San Bernardino thanked Co-

REDFLANDS SAFE CRACKED
REDLANDS, April 9.—Burglars got into the office of the Osburn garage last night, attacked the combination of the safe with a sledge hammer, wrecked it to the point where they could open the safe and escaped with \$40 in cash. There is no clue to the burglars or the way they effected their entrance to the office. The police are working on the case. The burglary follows several house burglaries in which, owing to the nature of the articles taken, it is believed a woman is implicated, a number of costly female garments having formed part of the booty on each occasion.

Gilbert's Sale of \$1.00 Table Linen—72-inch damask, beautiful new pattern. Very special value; in fact, many stores ask you \$1.50 yard for similar quality. Ask to see our wonderful damask at \$1.00 yard, at Gilbert's.

JAPAN DOWAGER EMPRESS DIES SUDDENLY

Emperor and Royal Family
with Her at Death Hour; Body
to Be Moved to Tokio

WAS TALKING WITH HER
SON WHEN SHE EXPIRED

Was Well Educated and Had
Western Ideas; Well Beloved
by Foreigners

TOKIO, April 9.—The dowager empress Haruko, the widow of the late Emperor Mutsuhito, died today at the imperial villa at Namazu. According to a well founded report she died suddenly after a recent apparent improvement in her illness. Emperor Yoshihito, the empress and others of the royal family were present.

Formal announcement of the death will probably be delayed until tomorrow according to custom, while the body will be moved to Tokio.

Bright's disease is given as the cause of death although the empress was suffering from heart trouble. The empress was talking with the emperor when she suddenly lapsed into unconsciousness. The doctors did their utmost to revive her but she succumbed within a few minutes.

HEALTH FAILED SINCE DEATH OF EMPEROR

The empress Haruko died at the age of 64 years. She was married to the Emperor Mutsuhito when nineteen years old. She was devoted to him and her health has steadily failed since his recent death. She was well educated and dressed like an occidental woman, and also had western ideas. The deceased empress was well beloved by the Americans and Europeans with whom she was acquainted.

Physical Valuation Water Co.

(From the Los Angeles Financial News.)

In the first physical valuation case of like nature decided by the State Railroad Commission, the commission holds that the city of Eureka must pay \$270,000 to acquire the Eureka Water Company. Of this amount \$25,000 was agreed on by both sides as the worth of the water rights and the remainder of the purchase price is for plant and property. In handing down its opinion the commission laid down two important principles which will govern similar cases in the future.

First, segregated parcels of land are to be valued only at their worth for the purpose to which they have been put. That is to say, a plot of ground occupied by a water company for a pumping station, is worth its value to the company for a pumping station, not what it might fetch as a residence site.

Second, the distance of the next nearest water source shall have no part in determining the price of the water company being valued.

"We are convinced from the facts in the case, as well as facts in many other cases that have come to the attention of the commission, that if the financial history of utilities in the United States could be written, it would be found that a great deal of their present property values have been secured from their rates in addition to proper earnings, and not from such proper earnings; and this conclusion is not met by a showing that dividends have not been paid upon stock, because the investment of net earnings excessive in amount in utility properties and the gradual increase in the value of their stocks is just as much an earning to the owners of such stock as though dividends were declared, and the payment of interest on bond issues and the payment of bond issues ultimately from the rates, of course, brings about a like result."

OFFENSIVE SONG IS DITCHED BY MANAGER

A song that was roasted in the Register yesterday by Alan A. Revill was not sung at Clune's Theater last night. The song was sung twice, once Monday night and once Tuesday night, but last night it had a substitute. A member of the Censor Commission called the attention of Manager Russell to the complaint and showed him the communication printed in the Register. The matter had not been brought to the commission's attention until the communication appeared.

Manager Russell immediately stated that the song would not be given again.

"I do not want anything in pictures or acts at my theater to offend anyone," said Manager Russell. "Several hundred people heard the song, and no complaint against it was made to me, and I cannot think it was as bad or as offensive as Mr. Revill has pictured. However, that is neither here nor there. If Mr. Revill had told me as he went out of the theater Monday evening that the song was offensive, I should have deferred to his judgment, and the song would not have been sung again in my theater. It was just now, Wednesday, that I have received this first complaint. The song has been sung twice, but it will not be sung again."

"I would like to take this occasion to say that it is my desire to run a clean theater. Most certainly I do not want to put offensive acts on my stage. However, they have to go on once before I can know in a detailed

MRS. BEIDEL TELLS WOMEN

How Lydia E. Pinkham's Vegetable Compound Kept Her in Health for 14 Years.

Shippensburg, Pa.—"It was several years ago that I started taking Lydia E. Pinkham's Vegetable Compound. I then suffered terribly every month. My husband bought me a bottle of it and it helped me right away. Then after my second child was born I had a female trouble very badly and I used Lydia E. Pinkham's Vegetable Compound and in a short time was cured and have been in excellent health since. I always praise the Compound whenever I have an opportunity as I know it helped me and will help others. Lately I have given the Compound to my daughter and I wish all suffering women would take it and be convinced of its worth."—Mrs. JAMES A. BEIDEL, 113 N. Penn Street, Shippensburg, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

way what they are. I have thrown out whole acts, and made many an actor cut out a large portion of his stuff, because I did not like it for production at my theater. I have taken off films after their first appearance. Last week I made a girl leave out a song. She wanted to know why, and I told her it would not do for this theater and that she had to cut it out, and she did. I am satisfied that I am far more critical of what is shown at Clune's than the Censor Commission can possibly be under its ordinance.

"I am glad to hear criticisms. My business is pleasing the people. I want to know what they like and what they dislike. I am in Santa Ana to stay, and I want to know what Santa Ana patrons want. How better than for my patrons to tell me what they think of what is shown here? I do not promise to take off anything and everything that any person who comes along might object to. I can't do that, for after all, this is a theater, and some people would object to anything in the theatrical line, but I want to run a show-house acceptable to the people who go there for clean entertainment."

ANAHEIM BIDDING FOR THE POST OFFICE SITE

Anaheim Gazette: Uprooting a postoffice after it has been established on a certain site long enough to become a landmark and transplanting it elsewhere is not an easy matter and can only be accomplished when it is shown that the service is benefited thereby. The Anaheim postoffice has been conducted in its present quarters many years, but it is within the bounds of possibility that it may move eastward several blocks and the new postmaster begin his administration in a new location.

The increase in the business of the office during the past few years and the extension of the service with the consequent enlargement of the force has cramped the present quarters and enlargement has become a necessity. Months ago plans for overhauling the structure, building an addition on the rear and making it commensurate with the present needs were drawn and should the office remain where it is the improvements will immediately be made. Mr. Dickel, owner of the building, has submitted a bid for renewal of the lease and will reconstruct the room to meet the growing demands for more space should his bid be accepted.

Another proposition, however, has been submitted to the department which may result in the removal of the office to other quarters. Mrs. McLaughlin, owner of the vacant grounds at the corner of Center and Emily streets, opposite the city hall, has submitted a proposal which will receive the consideration of the powers, perhaps. Mrs. McLaughlin, through her agent, Stephen Kistler, offers to erect a suitable building on the corner and construct it in conformity with the requirements of the business. The call for bids requires a 10-year lease.

It is not probable that the postal authorities will accept either of the two offers without making a thorough investigation and obtaining the sentiment of the patrons of the office respecting the two sites, consequently a warm contest may develop. Persons doing business west of Los Angeles street will naturally desire to keep it where it is, but a strenuous effort will probably be made to remove it in case the proposition is submitted to a decision of the people.

Church's Progress
Anaheim Herald: The regular meeting of the official board of the First Methodist Episcopal church was held last evening in the pastor's study. The reports from the treasurer and envelope secretary showed a remarkable improvement compared with the same time last year. When the subscriptions now due are all paid in all bills will be met and a substantial balance left in the treasury. The pastor reported four received on probation, eighteen received into full membership on profession of faith and eight received by certificate. Nearly 200 have been received into the church in the last eighteen months.

Insurancely young, Ben E. Turner.

TO be faultlessly attired at Easter-tide is the ambition of every up-to-date young man. No one wants to "keep to the back trail" in the matter of dress when it is possible to head the procession; no one cares to "hide his light under a bushel" when he can just as easily "shine resplendently" in the front ranks. We offer three unmatched values:

Stein-Bloch and the L-System
Suits for Men and Young Gentlemen at \$20 and \$25
Kirschbaum All Wool Special \$15

are pace-makers, fashion starters and personality builders. Everything that is new and stylish in men's youths' and boys' clothing and furnishings. Come in and see our incomparable Easter display.

Hill, Carden & Co., 112 W. 4th St.

WAR

Has Been Declared!

The First Gun Was Fired April 1

when two of our credit grocery store proprietors decided that the cash system was the only system, and all they had to do was to tell their customers it would be cash after April 1st, 1914, and how they would save them 15 to 30 per cent. The next thing was to get one of Miles' advertisements and see how much to charge on a cash basis. Then another old time cash basket free delivery man decided he would have to take off his free delivery system in order to meet all comers, as things were liable to get pretty warm before the summer was over, and he put on a ten days sale, the like of which he never did before and he figured right down just as low as Miles sells every day. Then comes the man who says he is the original Cash Grocer and ought to have all the credit for putting down the prices and holding them down. But he don't say who it is that has been holding him down. You know one cash grocer in a town don't cut so much ice, he just gets under the credit stores enough to get his share of the business. It's when the second cash man gets in and wants his share, then you get the real cash prices and down they go to the bottom. Now the two new cash grocers are just going to let Miles make the prices and do the advertising and they will follow along and match and in that way will learn the cash system. Now people like to deal where they get the prices at first hand. Consequently they go to Miles. Quality guaranteed.

**We still claim we are the

TO DRAW PLANS FOR EL TORO SCHOOL

District Going to Erect \$8,000
Building When Bonds
Are Sold

This morning Elwing & Tedford, Santa Ana architects, were selected to draw plans for the new \$8,000 schoolhouse to be erected at El Tero. The new building is to be erected in time for the opening of school next term, if possible. The district trustees propose to sell the old building to the highest bidder, and clear it away to make room for the new structure.

ANNIVERSARY OF ORGANIZATION OF SOCIETY MARKED

(By Staff Correspondent)
ORANGE, April 9.—On Wednesday afternoon the P.E.O. chapter 8, commemorated the seventh anniversary of its founding by an informal 6 o'clock dinner given on S. M. Cradick's lawn at the corner of East Chapman avenue and Cambridge street.

The guests were Mr. and Mrs. Cradick, Mrs. Wulf, Mrs. Stewart, Mrs. Stence and the husbands and children of the members of the chapter. The B.L.L.'s present were: E. J. Brown, W. D. Granger, F. E. Hallman, Alfred Higgins, J. F. Keller, F. H. Meilor, W. C. Pixley and A. R. Smith.

Mrs. D. Stinson of South Grand street was completely surprised yesterday afternoon when between thirty and forty of the ladies of the Bible class of the M. E. Sunday school went in a procession to her home and announced that they had come to help celebrate her seventeenth birthday. The afternoon was a most enjoyable one, spent in social chat, with a short program. Delicious refreshments of salads, sandwiches, cake and tea were served. Quite a number of gifts were left by the ladies.

"The Windmills of Holland," an opera presented by the music and art department of the high school, is on the boards for this evening at Campbell's opera house. A great deal of interest has been aroused in advance over the play and a large

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at Once
When Back Hurts or Bladder
Bothers

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid, which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Advertisement.

Lovely Things for Easter Wear

Dainty Embroidered Collars

—Dainty Neckwear is so attractive. Our new Easter Neckwear is the prettiest we have ever shown. Come and see it.

Chiffon Collars

—Hand embroidered, in the daintiest of patterns on the finest of white chiffons and voiles.
—Prices \$1.25 to \$2.50.

Oriental Net Collars

—Hand embroidered in the prettiest of new shapes. Beautiful is the word used to describe them.
—Price \$1.25.

New Bow Ties

—Made of silks and crepes, in attractive rolled shapes. We show the newest shades of tango, wisteria, serape, as well as staple colorings.
—Prices 35c, 50c and 65c.

Plain Net Yokes

—Made both of plain net or the pretty Point-de-spirit net, in a large variety of styles, plain or with net frilling.
—Prices 50c to \$1.75.

New Net Yokes

—The popular "slip-on" style with low collars in the roll effects. Bottom finished with elastic cord.
—Prices 75c to \$1.75.

New Frillings

—Frillings and rufflings in chiffon, plain colors or Dresden patterns. Double frilling at 75c and single frilling at 35c yard.

New Silk Dresses

—Your "dress problem" needn't bother you any more. We can solve it for you in ten minutes. You can't help but fall in love with the beautiful dresses we are showing for street, evening, or Easter wear.

—Dainty Evening Gowns, in beautiful effects of shadow lace over Crepe-de-Chine, just ready to put on, and as carefully made as your dressmaker would do it—at only \$22.50.

—Evening Gowns in shadow lace over cotton crepe, a splendidly gotten up dress for only \$13.50.

—Street Dresses, in the new Chiffon Taffetas, featuring the attractive styles in peplum and Minorette effects, at \$17.50 to \$27.50.

—Street Dresses in fine silk Poplins, exceptional values at \$12.50 to \$17.50.

—White Dresses in a host of styles at \$6.00 to \$20.00.

Spring Waists

—Stylish Crepe-de-Chine Waists, with the new kimono sleeve, roll collar, and silk trimmed, the most attractive negligee silk waist ever shown. Price \$6.00 and up.

—White Wash Silk Waists featuring the new yokes and sleeves, attractively finished with double hemstitching at all seams, two qualities at \$4.00 and \$5.00.

New Parasols

—Have you seen the new "Canopy" Parasol for Spring—also the attractive "bell shape"? We are showing both of these models in our fancy line for Spring, as well as staple regular shapes.

—All Silk Parasols can be had for \$7.75 to \$10.00 in plain colors or extreme fancies. Cotton parasols at \$1.25 to \$2.00. Children's parasols, at 25c to \$1.25.

Undermuslins

—Cool, clean, dainty summer Undermuslins, how nice they look and how comfortable they will feel.

—This summer, try a "MARCELLA" Combination Suit—you'll never wear any other kind. It is a skirt, drawer, and corset cover all in one piece, easy to put on, easy to wash and iron. In Long Cloth, the garment can be bought for \$1.00 up, and in fine Nainsooks with fine trimmings, at \$2.00 up.

sale of tickets is reported.

W. G. Anderson has sold his residence property on North Lemon street to Frank Eckart, a recent arrival in this city from Oklahoma. Moore & Dozier, a local realty firm, handled the sale.

Charles Dyer returned home yesterday evening from the Imperial Valley, where he has been spending the last few months at Calexico.

The Christmas Club will be entertained at the home of Mrs. M. P. Bradshaw on North Glassell street tomorrow.

The regular monthly meeting of the Merchants and Manufacturers' Association was held at the Hotel Rochester last evening, featured by a banquet. A large attendance is reported.

H. H. Hillyard has traded his residence at 413 South Grand street for ten acres at Hemet. They will leave for their new home next Tuesday, T. E. Dugan, who owned the ranch at Hemet, will move here.

The Royal Neighbors held a regular meeting at the I.O.O.F. hall yesterday afternoon, at which one application for membership was received. The camp at Anaheim extended an invitation to this camp to exemplify the work at a meeting to be held April 27, in Anaheim, and the invitation was accepted. Refreshments were served at Decker's after the meeting.

Mrs. Hattie Ross of Santa Barbara arrived Tuesday for a week's visit with her mother, Mrs. Mary A. Jackson on South Grand street.

Mr. and Mrs. Jesse McDaniel and family have returned from Newport Beach and are visiting at the G. W. Gates home.

E. H. Durbin left this morning for Langdon, North Dakota, to spend the summer at his ranch.

Mr. and Mrs. William Herrod and Mrs. D. Stinson leave today for a two weeks' visit in Wasco, Kern county.

Mrs. H. Oakes and daughter, Mildred, who have been spending the last nine and a half months at Glendale have returned to Orange and are located on South Jameson street. Mrs. Oakes' daughter Eva accompanied them to Glendale, but has since been married and has now gone to Fresno to make her home.

Mrs. Nancy Stalker, who has been very low for some time, passed away last evening at the home of her son, J. W. Stalker, on South Center street.

Foley Kidney Pills Successful for

Rheumatism and Kidney Trouble
—Easy to take, quick to give good results, positive in action for backache, weak back, rheumatism, kidney and bladder troubles. As soon as you begin taking them you feel the benefit of their healing qualities. P. J. Boyd, Ogles, Texas, says: "After taking two bottles of Foley Kidney Pills, my rheumatism and kidney trouble are completely gone." Safe and effective. Contains no habit-forming drugs. ACCEPT ROAD TO THE BEACH

On Recommendation of Commission, Both Sections
Are Approved

Yesterday afternoon the Board of Supervisors accepted the paved road between Santa Ana and Huntington Beach. This was done on the recommendation of the County Highway Commission and after the supervisors and commissioners had inspected the road.

Calls for Bids

County Surveyor McBride having completed the preliminary work for the mile of proposed paved road between McPherson and El Modena, April 21 was set as the time for receiving bids for that work. This road is to be built out of the general fund of the county, not out of bond money. It is the first section of a

paved road that will reach the Orange County Park.

Let Contract

On the report of the Highway Commission, a contract was let to the Star Cement Co. of Riverside for paving 3.5 miles at Buena Park. The price is \$17,219.44.

The bids of the Western Laundry Machinery Co. for laundry equipment for the County Hospital were taken under advisement. The bids were \$1992 and \$2232.

George Gotthard, R. E. Larter and County Surveyor McBride were appointed as appraisers of the J. A. Armitage road.

Further hearing on the A. H. Lyon and J. C. Ord road matters was continued to April 21, to which date the board adjourned.

Good Friday Services

Will be held tomorrow morning at 10 o'clock at the Zion's Evangelical church, corner Main and Tenth streets.—George Husser, pastor.

You Can Cure That Backache

Pain along the back, dizziness, headache and general languor. Get a package of Mother Gray's Aromatic-Leaf, the pleasant root and herb cure for all Kidney, Bladder and Urinary troubles. Mother Gray's Aromatic-Leaf is sold by druggists or sent by mail for 50c. Sample sent FREE. Address, The Mother Gray Co., Le Roy, N. Y.

HE IS MAKING AN INVESTIGATION OF CROWN GALL EFFECT

Prof. C. O. Smith of the government experimental station at Whittier was here today pursuing an investigation into crown gall and its effect upon various trees. This plant disease is sometimes called black knot. Smith took a number of photographs of apricot, plum and walnut trees that are troubled with this root disease, and this noon he and County Horticultural Commissioner R. K. Bishop went to West Anaheim so that Smith could get a photograph of crown gall upon the roots of a pepper tree that had been pulled up there.

Let the Modern Dry Cleaning Co. clean and press your summer clothing. Best work, prompt service, moderate charges. 519 North Main St. Both phones.

HARBOR CITY The Coming Industrial Center

Large Business Lots, 50x150 Feet, for \$400 Up.
Half Acre Tracts for \$700 and Up at Harbor City.

HARBOR CITY is two miles from San Pedro and Los Angeles Harbor. HARBOR CITY is only two miles from Torrance, where there is now over a thousand people employed by big manufacturing companies and is two miles further from water than HARBOR CITY. HARBOR CITY is only two miles from Wilmington. Look, these three towns are on three sides of HARBOR CITY. They must grow towards HARBOR CITY. HARBOR CITY has everything that a city needs, and a prettier view and location can't be seen. HARBOR CITY is two miles from a good oil district. Let me tell you about HARBOR CITY. Terms 10 per cent down and \$10 a month.

There are new about 3000 vessels stopping at San Pedro, Wilmington and Los Angeles Harbors. What will it be when the Panama Canal is opened up? That means they will have to dredge Bixby Slough clear up to HARBOR CITY. Then your dollars would be worth a thousand for each hundred you invest now. Don't let this chance slip by—the chance of your life time. I run no excursions to HARBOR CITY. It will cost only \$1.00 round trip to HARBOR CITY and return to Santa Ana. People will not hold back for the sake of a dollar. Some of you may say that other real estate firms will give you a free trip. Please bear this in mind: Those real estate firms that run a free excursion add from \$25 to \$100 a lot to their prices of property, in order to pay the cost of about \$150 or more for two cars. With 100 people, more or less, not more than 5 or 10 of them buy. The answer is that the few who do buy have to pay that \$25 or \$100 extra per lot to pay for all the other free rides.

Why not pay only \$1.00 and go with me for a nice pleasant ride and see HARBOR CITY, where you can get property just as good, if not better, with a prettier home spot and save that \$25 or \$100 a lot?

If HARBOR CITY is not as I represented it to be I will return your dollar, and if you buy I will return it anyway.

If you are interested, you may send me your address and I will call and tell you about HARBOR CITY. Please show this to YOUR friends and have them show it to THEIR friends.

JOHNSON'S APPOINTMENTS

An example of the Johnson administration's disregard of the old spoils system was the appointment of J. J. Smith to the Wardenship of Folsom Prison. He began on the guard line some twenty years ago and steadily worked up to be captain of the guard. Men who figured in politics were candidates for the position of Warden when it became vacant a few months ago, but the appointment went to Smith in keeping with the theory of Civil Service, although Civil Service does not apply to that position. Smith had demonstrated his fitness in handling convicts and that is why he got the job.

A survey of the appointments Governor Johnson has made to the various commissions will show how unjust is the charge that he has attempted to create a machine and make himself a "boss." Messrs. Harris Weinstock, A. J. Pillsbury and Will J. French, of the Compensation Commission will certainly not be classed as political machine appointments. The naming of Judge Murasky, of San Francisco, Simon Lubin, of Sacramento, and persons of like character as members of the Immigration Commission should be a complete refutation of the false charges spread against the governor. The personnel of the various boards and commissions, the judicial appointments the governor has made, and his entire list of appointments vindicated him absolutely of these misrepresentations.

All the talk against Governor Johnson about a political machine is utterly absurd. The men who lead and work in the campaigns of the Progressives are not office holders but are men and women in all parts of the state who are actuated by ideals of citizenship.

"SAFETY FIRST" IN MINES

Mr. Hugh Wolfen, one of the most experienced mining engineers in the United States Bureau of Mines, has been engaged by the State Industrial Accident Commission to assist in its work of safeguarding the life and limb of the mine workers of California. He is at present engaged in a tour of investigation of conditions in the mines of San Bernardino, Kern, San Diego and Inyo counties for the purpose of conferring with the mine operators regarding ventilation, first aid to the injured, and safety appliances.

Mr. Wolfen's services have been secured with the consent of the federal government, and he will visit every mining district of the state for the above purposes. Proper ventilation and measures to prevent accidents will be thoroughly explained to the employers and employees, and first aid to the injured, which has never been given any consideration in many of the larger mines of California, will also be dealt with.

One of the seven exhibit cars, which the United States Bureau of Mines keeps moving about the country to teach "Safety First" to both employers and workmen, will probably be brought to California and sent into each mining district.

This is but one of the many things which are being done under the Workmen's Compensation Act for the purpose of lessening the dangers in the industries of California.

THE HAT-PIN MENACE

Everyone knows that a hat-pin point protruding several inches beyond the brim of a woman's hat is a source of danger to anyone in close proximity to the wearer of the pin. Probably no one sees the more serious consequences so frequently as the eye specialist. Sometimes the injury consists of a mere scratch, which heals readily and leaves no permanent defect. On the other hand, every now and then the scratch becomes infected and serious impairment of sight, if not actual loss of the eye results.

One who has seen these bad results is forever alarmed for himself and others when he sees a protruding hat-pin point in a crowded car or theater lobby or wherever people are closely crowded together.

It ought not to be necessary to pass laws to prevent such accidents, but as the number of such cases does not decrease it would seem to be desirable to make the wearing of shorter hat-pins obligatory. There are devices on the market for covering and protecting the end of a hat-pin which are effective and inexpensive. Any jeweler can shorten a long hat-pin in a few minutes and at a cost of a few

cents, and thereby, perhaps, save a fellow being's eye.

CAL. PAPERS N. B.

There is a new spirit in politics—the spirit of decency. Ewing Herbert, who runs a Republican paper in Hiawatha, Kansas, has notified the Progressives, that so long as they have no paper in Brown county, they can print whatever news or announcements they have, which Republicans could print free, at the same rate and on the same terms in his paper, the Hiawatha World. Arthur Capper, Republican candidate for governor in Kansas, has consistently opened his pages to the Progressives for news and announcements and to their official representatives for political opinion. The hide-bound newspaper is passing, just as the narrow-minded partisan is passing. There is good in all parties. No party has all the good men or all the bad men; and no party has morality monopolized. We are all pore critters full of sin and prone to err, and there is more service to humanity in being neighborly than in being wise.—William Allen White California Outlook.

LOCAL DRUGGIST MAKES MANY FRIENDS

—The Rowley Drug Company reports they are making many friends through the QUICK benefit which Santa Ana people receive from the simple mixture of buckthorn bark, glycerine, etc., known as Adler-ika. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowel. JUST ONE DOSE of Adler-ika relieves constipation and gas on the stomach almost IMMEDIATELY.—Advertisement.

Why It Suits Particular People
—Foley's Honey and Tar Compound is prompt and effective for coughs, colds, croup, hoarseness, bronchial coughs and for any condition where the membranes of the throat and bronchial tubes are inflamed and raw. Thomas Verron, Hancock, Mich., writes: "Foley's Honey and Tar has always proven effective, quickly relieving tickling throat and stopping the cough, with no bad after-effect." It contains no opiates, and is a pure, reliable medicine. That's why it suits particular people. Wingood's Drug Store.—Advertisement.

For "hard-to-fit" men

We have Hart Schaffner and Marx Clothes for stout men, short, stocky men, big tall men—a perfect fit for every man—\$18, \$20 to \$25.

W. A. HUFF

SAVINGS EFFECTED IN STATE PRINTING OFFICE BY THE PROGRESSIVE ADMINISTRATION

Here are some prices paid by the old regime for supplies in the state capitol as compared with those paid under the Progressive administration.

For years before the investigation by the Progressive administration of the state printing office the state paid \$2.50 per pound for ink, and the same ink the state pays for today, under efficient administration, 30 cents per pound.

For the text book paper, for which the former state printer agreed to pay \$62,000, the state, under investigation, finally paid \$41,000.

And here are shown some of the figures which illustrate the difference between the old system and the new Progressive system of government:

Old	Progressive

The same hysterical shrieking that characterized the change from the old system of extravagance in the matter of supplies for state officials occurred when the investigation of the State Printing Office was undertaken. The Los Angeles Times today, even, is still defending the old management of the State Printing Office which the former superintendent could not defend and which caused him finally to resign.

ANNOUNCEMENT
—Dr. J. W. Shaul will be in his Los Angeles office forenoon; Santa Ana office, 2 to 5 p. m. and by appointment.

IN THE JUSTICE COURT

MITCHELL IS HELD FOR THEFT OF AUTO

Man Who is Charged With Stealing Plumb's Machine Out on Bail

This morning Frank D. Mitchell of Los Angeles was held to answer on a charge of stealing Hugh Plumb's automobile on the night of April 16, 1913. Plumb was a witness. A Los Angeles officer who arrested Mitchell and found the automobile, was another. Mitchell gave \$1000 bond.

Who Owns the Place?
When Mate Smith and Amel Wilford were arrested at Brea on charges of gambling and of keeping the place open after 11 o'clock at night, Smith declared he had no interest in the poolroom. He said it was his son Roy who had an interest in it. Roy was therefore arrested, and now an attempt is being made to convince the officers that Wilford owns the whole poolroom. Roy Smith's trial is set for April 21; Zang's, April 22, on a gambling charge; Smith's, April 23; Smith and Wilford on a charge of keeping a gambling house, April 27.

Wrong Side of Road
Harry E. Scholl did not like the looks of the inside of the county jail, so he paid a fine of \$5 that he vowed he would not pay. He was arrested on the complaint of George M. Bartley of El Modena, who said he had to run his auto off the road because Scholl with an auto truck took nearly all the road. Justice Cox found Scholl guilty of driving on the wrong side of the road. Scholl declared he would not pay the fine. The justice sent him to jail, and after about three hours of it, Scholl concluded to pay.

Japanese Is Held
S. Higashi was held to answer on a charge of forging the name of O. Yanase to a check for \$25. The check was drawn on Feb. 16. The preliminary examination was before Justice Cox.

Doings In Social and Club Circles

MISSION SOCIETY

Miss Sarah Finley Will Attend General Presbyterian Meeting in Philadelphia

The Women's Missionary Society of the United Presbyterian Church held a very interesting meeting yesterday afternoon in the parlors of the church. The parlors were made very cheerful with many beautiful roses. The hostesses were Mrs. Harry Dean, Mrs. J. E. Collins, Mrs. Will Smith and Mrs. Hafer. Mrs. D. L. Mitchell led the devotional service. Mrs. C. C. Collins read a very interesting paper on "The New Immigrant—Roman Catholic Jewish."

As the Women's Presbyterian had met last week in San Diego, the delegates gave reports as follows: Mrs. Tidball, Miss Minnie Cowan, Miss Sarah Finley, Mrs. Steele Finley, Mrs. D. L. Anderson. This society is honored by having a delegate to the General Presbyterian Society to be held in Philadelphia, Pa., May 14. Miss Sarah Finley is the delegate.

Mrs. J. G. Kennedy and Mrs. D. L. Anderson were on the program, having a part in a debate. The following committees were appointed for the year: Reception—Chairman, Mrs. J. G. Kennedy. Social—First division, Mrs. J. E. Kellogg; second division, Mrs. J. T. Raitt. Decorating—Mrs. John McFadden. Visiting—Mrs. W. H. Stevenson. Mrs. P. L. Andrews, Mrs. R. R. Smith, Ada Cowen.

Mrs. J. E. Kellogg gave the treasurer's report for the year. The amount sent out by the society for the year was \$480.26. The Flower Committee is Mrs. D. L. Anderson and Mrs. Amos Cox. Mrs. Wm. Smart and Mrs. J. T. Raitt were appointed to attend the Missionary Society which meets April 29 in the Congregational Church.

The Praise Leader for the year is Miss Roseline Kellogg. Reporter is Mrs. Lea Warren. A splendid report was given by Mrs. W. H. Stevenson, secretary of the Ladies' Aid Society, which showed that the ladies had done a large amount of work during the year.

At the close of the business meeting the hostesses served cake and coffee. They were assisted in serving by Misses Lois and Ruth Smith, Elsie Fluor and Phillis Baker. The next meeting will be in charge of Mrs. John McFadden, Mrs. Hoy, Mrs. Arthur McFadden and Miss Sarah Gowdy.

Sunshine Society
The regular meeting of this benevolent society was held yesterday afternoon at the home of Mrs. Ha Bishop. Owing to the small attendance, little business was transacted. Plans for International Day, soon to be observed by the society, will be perfected at a called meeting on May 6. Each member of the society is privileged to invite one guest for International Day.

TO MEET AT BUENA PARK
Orange County Federation of P.-T. Associations to Meet Saturday, April 11

The Orange County Federation of Parent-Teacher Associations will hold an all-day meeting in the Buena Park schoolhouse, at Buena Park on Saturday, April 11. The session will open at 10 o'clock and the following interesting program will be rendered: Devotional; welcome, Mrs. Elsie Haas, president Buena Park Parent-Teacher Association; response, Mrs. Lillian Whitney, Santa Ana; election of officers; miscellaneous business; reports of chairmen or committees and presidents of local associations; basket luncheon; boys' drill, musical numbers and readings, by Buena Park school children; address, "Campfire Girls," Miss Maude Jones, Santa Ana; round table, social, economics, Mrs. W. B. Tedford; proper dress for school girls, Mrs. Kathryn Little of Huntington Beach.

All members of Parent-Teacher Associations in the county, and others interested in the education and welfare of children are most cordially invited to attend this meeting.

A train leaves Santa Ana at 8:45 a.m., via the Southern Pacific, and passes within two blocks of the Buena Park schoolhouse, making it convenient for those who cannot go in automobiles.

Class Meetings
The Philatheas and Baracas of the First Presbyterian church held their first class meetings in the new class rooms last night. It was a proud hour for the young men and women. They have spent much time and thought in the furnishing and adornment of the class rooms, which are located in that annex to the church which was recently completed.

The Philatheas, who lately joined the Westminster Guild, took up the Westminster study last evening, reading the beautiful story of Ruth. Plans were made for installation of officers of the classes to take place Sunday morning, April 19. Rev. J. A. Stevenson conducting the ceremony. The evening of the same day will be given over to the young people, the pastor preaching a sermon appropriate for the rally. Philatheas and Baracas songs will be sung during the service.

Following the study hour and the discussion of plans, fruit was served and a brief social hour enjoyed.

To Sing "The Crucifixion"
Nevins, cantata, "The Crucifixion," will be sung tomorrow night at the United Presbyterian church by the choir upon the occasion of the Easter praise service which will be held. The service will start at 7:45.

Happy Hours Club
Miss Amy Bent of the Bent Apartments was hostess at her home yesterday afternoon to the members of the Happy Hours Club. The room was redolent with the fragrance of roses of several varieties, and the afternoon was literally one of "happy hours."

Guests of the club were Mrs. J. E. Tidball, Miss Hattie Powers and Miss Fritz. Miss Freda Moesser was admitted to membership in the club, and she and Miss Bent each delighted the company with vocal solos. Miss Minnie Wild contributed instrumental numbers that were most pleasing.

Delicious home-made cake and homemade ice cream were served by Miss Bent before the guests departed. The novelty of homemade ice cream was appreciated by the young ladies, especially as it was exceedingly good. The next club meeting will be held with Mrs. Walter Sutton.

W. R. C. Meeting
The ladies of the Woman's Relief Corps held a well-attended meeting yesterday afternoon at G. A. R. Hall, and a large amount of business was transacted. Among other matters decided was the matter of giving a play during the annual encampment of the Southern California Veterans' Association to be held in Huntington Beach during the month of August.

A luncheon was made of the tea to be given by the ladies of the corps on next Friday afternoon of this week at G. A. R. Hall. The program for the afternoon will be presented by pupils from the various grades of McKinley School. Refreshments will be served. One of the pleasant features of yesterday's meeting was an informal talk by Mrs. Johnson, one of the W. R. C.

WHAT A BOY!
Lecture by Dr. Dowling Full of Good, Serious Things as Well as Humor
"What a Boy!" was the subject of Rev. F. M. Dowling's lecture at the First Christian Church last night. In introducing the speaker, Rev. Paul M. Wright said punctuations would make a good deal of difference in the subject, as he remembered hearing over the telephone once these words: "What! A boy?" to which Rev. Wright's answer was "No."

The lecture followed a supper served to about 150 men and women. This was one of the successful monthly suppers served by two of the Sunday school classes of the church.

Dr. Dowling, who lives in Pasadena, is a well-known humorist. Two much appreciated piano solos were given by Mrs. Hewitt previous to the lecture.

Dr. Dowling said that this is an age of problems, and that the greatest of all is the boy problem, as it lies at the root of all others. If it was not for boys taking the place of criminals, there would soon be no more criminals.

"Don't blame a boy if he is mischievous," said he. "I like mischievous, not the cruel kind nor the kind that requires no brains."

"Don't condemn a boy for being lazy. Nineteen times out of twenty he got it from his 'paw.' He may be lazy because of some physical condition or defect. The chances are he is considered lazy because he is inactive in the things you want him to do and very active in the things he wants to do. Restraining a boy from his natural bent is called boy slavery by Dickens, and somebody else says it is trying to put square boys in round holes. Somebody has said that a blockhead is merely a genius who has not discovered his genius."

Patrick Henry and Daniel Webster were cited as instances of unpromising and lazy youthfulness. At least, they were considered lazy. In reality they had tremendous energy along certain lines.

As to the bad boy, so-called, I must say that the ignorance of the average person in dealing with such a boy is simply appalling. It reminds me of a story of the woman who found a meadowlark's nest with a lot of deserted meadowlarks. The human mother said she would take care of the baby meadowlarks, and she started to take care of them by sitting down on them.

"Sit down on them—that is the common method used in handling so-called bad boys," said the speaker. "Many a boy goes down under a volume of 'Don'ts.' Many a boy needs but a warmth of love to make him sparkle."

"After all, the main thing is the father's example. If more fathers were chimney and no chimney, it would be better for the boys."

The meat of the lecture was interspersed with enough stories to fill the joke pages of a magazine for months to come.

The regular meeting of the American Woman's League, local chapter, will be held with Mrs. J. B. Rowland, 1306 North Broadway, on Friday, April 10.

Easter Cantata
The members of the First Baptist church choir will give their special Easter service in the new church on next Sunday afternoon at 3 o'clock. This service will include Hammond's beautiful Easter cantata, "The Messiah Victorious."

The general public is cordially invited to attend this artistically fine cantata. The human makes it possible for people of whatever church to attend, as the Easter services occur mostly in the morning.

New Season Styles

for vigorous Orange County boys, made of all wool dependable materials, and built to weather the wear and tear of active, strenuous boys.

Personals

Mr. S. E. Farr left today via the Salt Lake route for his home in Wichita, Kansas. Mr. Farr has been visiting for the past year with his daughter, Mrs. Milhan, on Santa Clara avenue. He will stop over one day at Salt Lake City and one day at Denver, Colo.

P. M. Byron, general passenger agent for the New York Central lines, was a business visitor in this city yesterday. He called on the Salt Lake agent as well as other local railway officials.

Mr. George Daley left for Chicago today on the S. P.

Mrs. Barbara Deftis, who has been visiting friends at Tustin, left today for her home in Jeneaca, Ill., via Los Angeles, where she will stop off for a few days.

Miss Gibson, who has been visiting friends here, left yesterday via the Southern Pacific for her home in Moose Jaw, Saskatchewan, Canada.

W. A. Ingram of 842 East Second street, left yesterday with his family for Beaumont, Texas, where he will make his home. He is traveling via the Southern Pacific route.

J. H. Covington left on the Southern Pacific yesterday for Amarillo, Texas, where he will make his home.

Robert Munger made a trip to Los Angeles yesterday. He attended a performance of "The Honeymoon Express."

Miss Mary Cox, daughter of Judge Cox, went to Los Angeles this morning for a two days' visit with friends.

Miss Caroline Haughton was a morning traveler to Los Angeles.

Miss Zoe Vanderlip was a forenoon visitor to Los Angeles today.

Mrs. Walter Prince journeyed to the Angel City this forenoon via the Pacific Electric.

Mrs. G. W. Page of Los Angeles came down this morning to visit her brother, Henry Moesser and wife and other relatives for a few days.

Mrs. J. E. Brock, who has been spending the winter here with her daughter, Mrs. E. J. Benedict, left for her home in Centralia, Kansas, this morning.

Miss Florence K. Cameron, who has been the guest of Mrs. E. J. Gardner and Miss Sarah Gardner of 412 West Washington avenue, left last evening for her home in Toronto, Canada, going via the Canadian Pacific and stopping en route at many places to visit relatives. Mrs. Charlotte Elliott and Miss Gardner accompanied Miss Cameron to Los Angeles, seeing her safely on "The Lark." Miss Cameron made many friends during her winter's stay here by her charming manners and her literary attainments, being a writer of interesting short stories.

Children's Diseases Very Prevalent
—Whooping cough is about everywhere. Measles and scarlet fever also are bad. Use Foley's Honey and the Compound for raw, inflamed throats and coughing. Mrs. I. C. Hostler, Grand Island, Neb., says: "My three children had severe attacks of whooping cough, and a very few doses of Foley's Honey and Tar gave them great relief." Contains no opiates. Do not accept a substitute. Wingood's Drug Store.—Advertisement.

rooms 1 and 2, Rowley Building, 956W.

NOTICE TO CREDITORS
Estate of William D. Mater, deceased. Notice is hereby given by the undersigned, executor of the last will and Testament of William D. Mater, deceased, to the creditors of, and all persons having claims against the said deceased, to exhibit the same with the necessary vouchers, within ten months after the first publication of this notice (which publication was first made on the 19th day of March, 1914) to the said executor, at the law office of Williams & Rutan, attorneys, at Room 7, Farmers & Merchants National Bank Building, in the City of Santa Ana, County of Orange, State of California, which is hereby designated as the place of business of said estate and of said executor in the County of Orange.

Dated this 18th day of March, A. D. 1914.

LLOYD N. MATER,
Executor of the Last Will and Testament of William D. Mater, Deceased.

NOTICE TO VOTERS
The Great Register of Orange County for the year 1914, as well as every other county in the State of California, is now being compiled. All voters who expect to participate in the general election to be held in November, 1914, and in the primary election to be held in August, 1914, must register. Registration closes for the primary election on July 25, 1914, and for the general election on October 5, 1914.

W. R. WILLIAMS,
County Clerk.

SPIRIT MESSAGES

Inez Wagner will be at K. P. Hall Saturday night, April 11, at 7:30 o'clock, to bring you a message. Admission, 15 cents.

Vacancies in Spanish Class

I have a few vacancies in one of my evening classes. Those applying immediately will have advantage of the rate of 25c a lesson. Mrs. Olive Lopez, 211 South Birch. Phone 653W.

PROPOSALS FOR SCHOOL BONDS

Sealed proposals for the purchase of school bonds in the sum of Eight Thousand (\$8,000.00) Dollars of El Toro School District of Orange County, California, will be received by the Board of Supervisors of Orange County up to 11 a. m. of Tuesday, April 21, 1914.

Each of said bonds shall be dated June 1, 1914, and shall bear interest at the rate of five (5) per cent per annum, payable semi-annually; said principal and interest to be payable at the office of the Treasurer of Orange County, California.

Said bonds are sixteen (16) in number of Five Hundred (\$500.00) Dollars each, payable as follows, to-wit:

Bond No. 1, \$500.00, payable June 1, 1915.
Bond No. 2, \$500.00, payable June 1, 1916.
Bond No. 3, \$500.00, payable June 1, 1917.
Bond No. 4, \$500.00, payable June 1, 1918.
Bond No. 5, \$500.00, payable June 1, 1919.
Bond No. 6, \$500.00, payable June 1, 1920.
Bond No. 7, \$500.00, payable June 1, 1921.
Bond No. 8, \$500.00, payable June 1, 1922.
Bond No. 9, \$500.00, payable June 1, 1923.
Bond No. 10, \$500.00, payable June 1, 1924.
Bond No. 11, \$500.00, payable June 1, 1925.
Bond No. 12, \$500.00, payable June 1, 1926.
Bond No. 13, \$500.00, payable June 1, 1927.
Bond No. 14, \$500.00, payable June 1, 1928.
Bond No. 15, \$500.00, payable June 1, 1929.
Bond No. 16, \$500.00, payable June 1, 1930.

The bonds will be sold for cash only and at not less than par and accrued interest. The bonds are for the purpose of raising money for building one or more school buildings, for insuring school buildings, for supplying school buildings with furniture or necessary apparatus, and for improving school grounds.

At or before the sale of the bonds, the order of the Chairman of the Board of Supervisors in the sum of three per cent of the amount of said bonds or the portion thereof bid for, must accompany each bid. Said Board reserves the right to reject any and all bids.

The total valuation of taxable property within the El Toro School District, in said County for the year 1913 is \$267,555.00, exclusive of operative property, and the outstanding bonded indebtedness is none.

By order of the Board of Supervisors of Orange County, California, made April 8th, 1914.

W. R. WILLIAMS,
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

Why wait to have that broken lens repaired when we can duplicate it on short notice.

BAKED ICE CREAM
LAST NIGHT FEEDS
MINDS AND BODIES

Miss Peet Delighted With Audience—Last Session of Register's Cooking School Tomorrow—Has Been An Educational Treat

The larger number of Santa Ana men and women who gathered in the Elks Hall last night, to see Miss Peet perform the unusual feat of baking ice cream, were not disappointed. She actually did put ice cream into the oven, bake a delicate brown crust upon it and serve it to the audience, who yum yumed over it, pronounced it perfectly delicious and all wanted to know at once how it is done. Miss Peet told them and everybody said: "Why, that's as simple as can be" and perhaps it was. Newspaper writers are not expected to understand such things, but anyway, "seeing's believing" and tasting's more so, and Miss Peet can and did bake ice cream.

If the men passing Elks Hall and catching whiffs of the delicious odors floating around there this week, are aggrieved because there is not a cooking school for them, "they should worry," remarked a member of the cooking school classes yesterday. Many Santa Ana men are wearing smiles of contentment as a result of all the new dishes they are getting at home since the cooking school opened.

Miss Peet had the husbands specially in mind this afternoon when she made bread and rolls. "Some men folks," she said, "like good cake, but ALL the men folks like good bread. No matter what else you give them to eat, they want good bread, and the woman who can and does make good home-made bread has few domestic troubles. Just try some of these hot rolls. Oh, they'll be sure to turn out right if you follow directions exactly." The planked steak too, was a dish particularly designed to make a man's mouth water. The women of Miss Peet's audience were delighted with it for more than one reason. It is a complete dinner in itself, and not only may be prepared in a short time, but is an economical dinner as well. Then its appearance would bring joy to the heart of any woman with an artistic sense. Miss Peet's cooking school audiences are more and more pleased with everything pertaining to the Register's school. The great lift Miss Peet has given them with their household burdens, the delicious food she has not only given them, but has painstakingly shown them how to prepare, the dainty ways in which these foods have been served, all these have combined to make the cooking school a great success.

DETAILS OF TOMORROW'S PROGRAM

The menu for tomorrow's program is as follows:
Fried Oysters
Fried Fish and Chops
Doughnuts
Timbales and Rosettes

It would seem that Miss Peet has undertaken a hard task in attempting to make an interesting demonstration of such a simple menu, but it is just this faculty of doing the plainer branches of cooking in the better than ordinary manner, surrounding the simplest foods with the brightness of originality, that has won her audiences so completely. Many people think that the frying of oysters for instance, requires no skill or particular thought, but Miss Peet is able to make a fried oyster fairly sparkle with interest. "Back to the first principles of cookery" is Miss Peet's slogan. "Let's master the simple things first, and then the fancier branches of cookery are easier. I have tried to teach both the plain and fancy branches of cookery to my classes here. I, myself, have learned something each day and I think I have never talked before more appreciative audiences. I believe the crowd this afternoon will break the record both because it is one of the most interesting programs and because women have asked more questions about frying than almost anything else. I am heartily sorry that Friday is the last day."

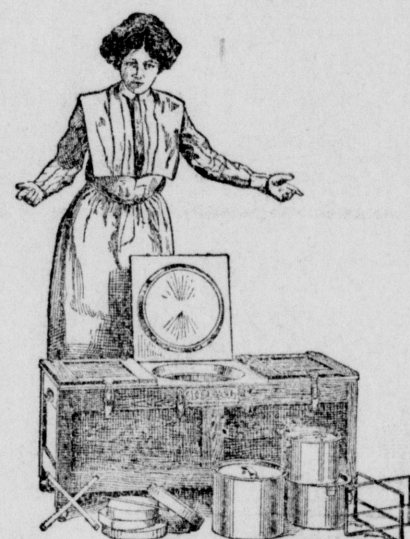

The "IDEAL" Fireless Cook Stove

Is on display at Miss Peet's Cooking School this week—All admit its superiority.

PIMENTO CHEESE SANDWICHES

Two tablespoonfuls Crisco, one cupful diced cheese, one teaspoonful corn starch, six tablespoonfuls milk, one teaspoonful salt, one can pimentos, paprika to taste, Graham bread.
Put cheese into double boiler, add Crisco, corn starch, milk, salt, and paprika to taste and stir and cook until smooth, then add pimentos cut into small pieces. Spread between buttered slices of Graham bread. Sufficient for twenty-five sandwiches.

HUDSON SANDWICHES

Two tablespoonfuls Crisco, one-half pound cooked meat, six stoned olives, one teaspoonful capers, two hard-boiled eggs, salt and pepper to taste, crisp lettuce leaves, twelve pickled shrimps, parsley, brown bread.
Put through food chopper cooked meat, olives, capers, and yolks of hard-boiled eggs, then add Crisco and seasoning. Spread mixture on slices of buttered brown bread, and stamp them out with a round cutter; sprinkle surfaces of sandwiches with chopped white of eggs. Dish up in circular fashion. Put lettuce in center with shrimps and a few sprigs of parsley. This sandwich quite repays the trouble of making. Sufficient for twenty sandwiches.

Go and see Miss Florence M. Peet's Cooking School at Elks' Hall every afternoon, 2 to 4 p. m., Monday, to Friday, April 6-10, inclusive, and see the demonstration of

Electrical Appliances

loaned by The Southern California Edison Co. This is the greatest demonstration ever shown in Santa Ana. Everybody invited. No orders for electrical appliances will be taken at these demonstrations. But the same may be purchased at

The Southern California Edison Office, 411 N. Main St., Santa Ana

THE EL PERCO AND EL TOSTO ON SALE AT GREATLY REDUCED PRICES FOR THE NEXT FEW DAYS.

SARDINE SANDWICHES

Two tablespoonfuls melted Crisco, one dozen sardines, one tablespoonful whipped cream, one tomato, salt, pepper and paprika to taste, lettuce leaves, slices of brown or white bread.
Bone and skin the sardines, then rub through sieve, add cream, Crisco, pulp of tomato and seasonings and mix well. Spread mixture between slices of brown or white bread and butter, stamp out in rounds, in center of each round force a row of whipped cream seasoned with salt and red pepper, place small tamped out leaves round the cream. Sufficient for twelve sandwiches.

FOR SALAD GREENS

Wash lettuce and put in a bowl large enough for the lettuce to fluff up. Cover the bowl and put in the ice box. This will keep the lettuce crisp and fresh for days and it is all ready for use at a moment's notice. The same plan can be used for parsley and celery. Onions can be placed in a fruit jar after being washed and the rubber and cover placed on the jar; this will make the onions crisp and tender and they can be kept in the icebox without odor.

TRIED RECIPES

MACARONI AND ROUND STEAK

One-half package macaroni, one-half can tomatoes, three tablespoons Crisco, two onions, salt and pepper to taste, one-half cupful grated cheese, one-pound round steak, one cupful breadcrumbs.

Boil macaroni into inch lengths and add it with one tablespoonful of Crisco to plenty of boiling water and boil twenty minutes, then chop. Put steak and onions through food chopper. Put macaroni into oiled fireproof dish, then put in steak and onions, add seasonings, and cheese, breadcrumbs, and remainder of Crisco melted. Bake in oven for one hour.

SILVER NUT CAKE

One cupful sugar, one-half cupful four whites of eggs, one-half cupful vanilla extract, two cupful flour, one-half teaspoonful salt, one teaspoonful baking powder, one cupful chopped pecans or English walnut meats, one-half cupful cream Crisco and sugar. Sift dry ingredients and add to Crisco mixture, alternating with the milk; add and vanilla extract. Beat eggs to stiff froth and fold in at last. Turn into Criscoed and floured tin and bake in moderate oven five minutes. Sufficient for small cake.

THREE GOOD EGG RECIPES

Here are three recipes for egg preparations that are excellent as ten dishes, and which will furnish testions for other preparations.

Anchovy Canapes
Put several small rolls in half, cut out the crumb, and place the rolls to dry at the back of the stove, while chop sufficient hard-boiled eggs to fill the canapes, together with

AY'S "MICHIGAN 40" ANAHEIM AUTO STAGE IS NOW Making Night Trips

TIME SCHEDULE
Leave Santa Ana. Leave Anaheim.

a little tarragon and chervil, and prepare some fillets of anchovy. Put the chopped eggs and herbs into a basin and add olive oil, tarragon vinegar, pepper and salt to taste, incorporating well together. Fill the prepared crusts with the mixture and garnish with the anchovy fillets.

Eggs a' la Suisse
Spread the bottom of a dish with two ounces of fresh butter; cover this with grated cheese; break six eggs upon cheese without breaking the yolks. Season with red pepper and salt, if necessary. Pour a little cream on the surface, sprinkle about two ounces of grated cheese on the top, and set the eggs in a moderate oven for about eight minutes.

Eggs Brouille
Six eggs, half a cup of milk or cream, two mushrooms, one teaspoonful of salt, a little pepper, three tablespoonsful of butter, a slight grating of nutmeg. Cut the mushrooms into dice and fry them for one minute in one tablespoonful of butter. Beat the eggs, salt, pepper and cream together and put them in a saucepan, add the butter and mushrooms; stir over a moderate heat until it begins to thicken; take from the fire and beat rapidly until the eggs become quite thick and creamy. Slice slices of toast on a hot dish, heap the mixture on these and garnish with points of toast. Serve immediately.

A JELLY NEST
Prepare a plain, clear lemon jelly by soaking one-third box of gelatin in one-half cup of cold water. When softened, add one cup of boiling water, and when the gelatin is dissolved, the juice of one lemon and one-half cup of sugar. Turn into a border mould which has been previously wet with cold water. Set aside until firm. In the meantime prepare a blanc-mange with one pint of milk, two tablespoons of cornstarch, two tablespoons of sugar and flavoring to taste. Have ready the empty shells of six eggs, pour the blanc-mange while still hot into these and get them also aside until firm, preferably standing upright in a bed of salt or something which will keep them in place. When ready to serve, unmould the ring of jelly, remove the shells from the eggs, preferably doing this in a bowl of cold water; place the eggs in the center of the jelly ring and decorate with strips of home-made candied orange peel to represent straws. Plain, unwhipped cream should be passed with this dessert.

Miss Peet's Menu for Remainder of Week

FRIDAY MENU

Fried Oysters
Fried Fish and Chops
French Fried Potatoes
Saratoga Chips
Doughnuts
Timbales and Rosettes

Here Are Some of Miss Peet's Popular Recipes

SALMON MOLD

One can salmon, two tablespoonfuls Crisco, half cupful rolled crackers, three eggs, one tablespoonful Worcestershire sauce. Salt and pepper to taste.

Sauce

One tablespoonful Crisco, one tablespoonful flour, one egg, one cupful milk, salt and pepper to taste, parsley.
For the Mold. Remove oil, skin and bone from the salmon. Rub salmon smooth, add eggs well beaten, crackers, and seasonings. Turn into a Criscoed mold, and steam for one hour. Turn out and serve with sauce.
For Sauce. Blend Crisco and flour in a saucepan over fire, add milk and stir and boil for five minutes. Add egg well beaten, and seasonings, pour at once over salmon. Garnish with parsley.

Sufficient for one small loaf.

HOT CROSS BUNS

Quarter cupful sugar, three tablespoonfuls Crisco, one tablespoonful salt, three-quarters teaspoonful powdered cinnamon, one teaspoonful powdered ginger, one egg, half yeast cake, flour, quarter cupful chopped candied citron peel, half cupful seeded raisins, one cupful scalded milk, quarter cupful lukewarm water.
Add Crisco, sugar, and salt to milk; when lukewarm, add yeast cake dissolved in water, spices, egg well beaten, and sufficient flour to make a stiff dough. Mix well, add raisins and peel, cover and let rise over night. In morning divide into pieces and form into neat buns; place in Criscoed pan one inch apart, let rise, brush over with milk or beaten egg, and bake in moderately hot oven twenty-five minutes. Cool, and with ornamental frosting make a cross on each bun. The cross may be made by placing strips of paste on buns before they are baked. Sufficient for twenty buns.

CARAMEL CAKE (For Cake)

One and one-quarter cupfuls sifted sugar, two eggs, half cupful Crisco, one cupful cold water, three cupfuls flour, two tablespoonfuls baking powder, one teaspoonful vanilla extract, half cupful granulated sugar, half teaspoonful salt, quarter cupful boiling water.

For Filling

One teaspoonful Crisco, one ounce chocolate, one teaspoonful vanilla extract, half cupful hot water, half cupful brown sugar, half cupful granulated sugar, pinch salt.
For Cake. Put granulated sugar in small pan and melt over fire till brown, remove from fire, add boiling water, stir quickly, return to stove, and stir until thick syrup; set aside to cool. Beat Crisco and sugar to a cream, add eggs well beaten, flour, baking powder, salt, vanilla, three tablespoonfuls of the syrup and water. Mix and beat two minutes, then divide into two Criscoed and floured layer tins and bake in moderate oven twenty minutes.

For Filling. Melt granulated sugar in small pan and stir until it becomes a light brown syrup, add the water gradually, then brown sugar, Crisco, salt, and chocolate, stirring all the time. Cook until it forms a soft ball when tried in cold water, or 240 degrees F. Remove from fire, add vanilla, beat until creamy, then spread between cakes. Sufficient for one layer cake.

PEACH DELIGHTS

One quart flour, three teaspoonfuls baking powder, two tablespoonfuls sugar, one-half cupful Crisco, one-half teaspoonful salt, milk, one egg, one teaspoonful lemon extract, peaches, fresh or canned, whipped cream.
Sift flour, salt, sugar, and baking powder together, then rub Crisco lightly into them with finger tips; add lemon extract and enough milk to make soft dough. Drop mixture into Criscoed gem pans; place one-half peach on each one; fill cavities with sugar and bake in hot oven twenty-five minutes. Serve with whipped and sweetened cream. Sufficient for twenty delights.

ALL READY FOR ELECTIONS ON MONDAY

Deputy Clerk Dresser Delivering Registration to Various Cities

County Clerk Williams has done everything that his office is required to do preparatory to the city elections to be held in Orange, Anaheim, Fullerton, Stanton, Newport Beach and Huntington Beach on Monday, April 13. Today Deputy County Clerk Dresser is delivering to the various city clerks the lists of registered voters. Polls will be kept open from 7 a.m. to 7 p.m.

Asks for Advice
Major Raymond of the U. S. engineer's office in Los Angeles has written to the Board of Supervisors, stating that residents of Bay City have protested against locating the county bridge at the curve of Anaheim Bay. He states that those protesting will have no objection if the bridge is placed west of and

adjoining the P. E. bridge.
Divorce Granted
In Judge Thomas' court yesterday Nallie P. Traylor was granted an interlocutory decree of divorce from John W. Traylor. S. M. Davis represented the plaintiff.

Attachment Case
Notice of attachment has been recorded in an action brought by Earl R. Taber against W. A. Heasley Ely on a demand for \$407.62. Property at East Newport is attached.

Court Notes
The defendant has taken an appeal from the decision of Justice Fullerton of Orange giving \$57 judgment to the Griffith Lumber Co. against Schroeder, Courtney Co. for money turned over to it as agent.

August Meincke has asked for letters on the estate of Christ Fritz, consisting of a deposit of \$125 in an Anaheim bank. Weisel & Dutton are attorneys for the petitioner.

Joseph Yoch has petitioned for letters of guardianship upon the estate of Anne S. Brooks and Alphonse Brooks who were left \$1410 and \$500, respectively by Frank Steckel. B. E. Tarver is Yoch's attorney.

Appraisers
J. N. Anderson, Mary Stanley and P. W. Mansur have appraised the estate of J. W. Towner at \$34,999.12. Anderson, G. S. Smith and P. L. Mitchell are appointed to appraise the estate of Mary A. Scott.

Anderson, J. E. Cope and Arthur Skidmore have appraised the estate of Charlotte D. Cope at \$4537.20.

To Appeal It
A \$300 bond has been given by Clara G. Fulson of Garden Grove to appeal the decision in the contest of a settlement of the estate of Richard T. Harris, who was a brother of Mrs. Fulson. Property worth \$60,000 asserted by Mrs. Fulson to belong to the estate was found by the superior court to be the separate property of Mrs. Harris. From that decision an appeal is being taken.

Ruth W. Lindgren has applied for letters on the estate of A. W. Lindgren, who died in December, leaving an estate at Huntington Beach worth \$1600. Williams & Rutan represent the petitioner.

The Photo Drama of Creation
The L.R.V. is calling attention to the fact that this year marks an unusual coincidence in the Hebrew feast of the Passover, and the Christian Good Friday both coming on the same day of the week as it did at the time of the crucifixion.

Thus each day of the week might properly be considered an anniversary of the same day in the Paschal week.

The best pictures in the world representing these scenes are given daily from hand painted slide and moving picture film in the College of Music at 3 and 8 p.m. Free to all. No collections.—Advertisement.

DOING THEIR DUTY

Scores of Santa Ana Readers Are Learning the Duty of the Kidneys

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are weak. Backache and other kidney ills may follow.

Help the kidneys do their work. Use Doan's Kidney Pills—the tested kidney remedy.

Santa Ana people endorse their worth.

R. J. Haines, Fowler House, 206 Ross St., Santa Ana, Cal., says: "I had pains through my back and sides. It was hard for me to straighten after stooping. The action of my kidneys was irregular. When I used Doan's Kidney Pills they made my kidneys normal and stopped the pains. I found that Doan's Kidney Pills are the best kidney remedy to be had."

"When Your Back Is Lame—Remember the Name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Haines had—the remedy backed by home testimony. 50c, all stores. Foster-Milburn Co., Props., Buffalo, N. Y.—Advertisement.

BUILDING MAHOMET

Mahomet Amusement Company has now entered the building period and soon the impressive proportions of the Mountain will tower over the Fair grounds.

Intimation has been received by our officials that their Building Bond has been accepted and the permit for construction granted.

Mr. A. E. Bird, superintendent of construction, will now close up his Santa Ana business as rapidly as possible and go to San Francisco to supervise the building of the Mountain.

This news makes certain the rapid closing out of the balance of Mahomet stock.

Now is the time to get in and secure the small remainder of the stock for Orange county.

Our loyal body of co-operative investors is working with one mind to make a sweeping success of this enterprise from which they expect at least 10 to 1.

Prospects of profit are not confined merely to the gate receipts nor do they cease with the Fair.

Moving Pictures will be taken of the interior wonders of the Mountain and those films should produce at least \$1,250,000 in a single year.

At Coney Island, N. Y., and at other large centers where millions flock for amusement our profits should be enormous.

This Mountain of Marvels should attract the money-spending crowds and pile up profits.

Within its immense illusion halls a steady stream of 3000 people can be accommodated.

\$2.90 down and \$2.85 monthly buys 100 shares. Take more if you like. Pay cash if you choose.

Purchase NOW before the tide of opportunity ebbs. A very short time will see us a closed corporation. Clip the coupon.

Hurt in a Fall

Fullerton Tribune: Charles Caruthers, employed at the Birch oil wells, was brought to the Fullerton Hospital Monday evening suffering from severe injuries received in a fall from a wagon. Caruthers was driving the company's team with a load of large oil well casings. These rolled on the wagon, unseating the driver, who fell to the ground, the wheels passing over him. He was brought to town in Seale's ambulance, and is at the Fullerton hospital in a serious condition.

Spring Laxative and Blood Cleanser

Flush out the accumulated waste and poisons of the winter months; cleans your stomach, liver and kidneys of all impurities. Take Dr. King's New Life Pills; nothing better for purifying the blood. Mild, non-gripping laxative. Cures constipation; makes you feel fine. Take no other. 25c, at your druggist. Bucklen's Arnica Salve for All Hurts.—Advertisement.

INDOOR BALL TEAMS ARE RIVALS

Rumor of Another Series Between Athletic Club Stars and Bankers

JAUNTS TAKEN BY THE HIKING CLUBS

Club Members May Form an Aquatic Squad—Boxing Tournament Notes

The All Star indoor baseball aggregation defeated the Bankers in a five-game series for the Athletic Club championship, 3 to 2, the first game being played last week, much enthusiasm was displayed during the games and the way the Bankers started out by winning two straight made the fond hopes of the All Stars fall considerably. But with the development of the fast All Star battery, Patton and Galbraith, they soon forced the odds to change and won the last three games by a safe margin.

It is rumored that the Bankers intend challenging the All Stars for another series, and should this mature it would provide a great deal of fun for all concerned. The only grudge that the Bankers claim is that they did not get a chance to buy off the umpire, who, they claim, was partial to the All Stars. Several of the players who persisted in fanning the air wish to amend the rules so that a larger bat may be used, or else increase the size of the ball. Rutherford suggested that they use a mush paddle.

Boys' Hiking Club

Leaving Santa Ana in the early morning hours over the Santa Fe the Boys' Hiking Club made a journey to San Juan, from which place they displayed their walking prowess in a trip along the beach sands to Balboa. Upon reaching San Juan several members of the bunch decided that a little sleep was more appropriate than a walk in the absence of sunshine. So they repaired to the famous hotel of that place, where they secured a good feather bed for the rest of the night. The remaining members of the crew sought shelter under the station platform, in bread-baskets and other places of refuge until the break of dawn arrived, when they found themselves in rather cramped and uncomfortable shape for hiking. They seemed to be somewhat of a curiosity and had made the acquaintance of most of the dogs, awoke all the inhabitants of the little city and in fact created considerable of a disturbance before leaving.

The trip along the beach was great and was marred only by a few sand fights and wrestling matches, in which none was hurt.

Ladies' Hiking Club

The Ladies' Hiking Club also made a very enjoyable trip from Santa Ana to Laguna by way of Balboa last Sunday. Indications of rain in the morning forced them to slightly delay their start, but the trip was made under very favorable conditions. One lady was taken sick just before reaching Laguna and had to be taken home in a machine, while Miss Willets opened a new bank account by depositing several dollars along the route, for which she received no credit. These were the chief events of interest outside of a wading squad which was suddenly routed by the appearance of crabs on the scene.

Motorcyclists

Livesey, Gale and Winbiger indulged in a motorcycle trip to San Diego the first of the week. The trip was made direct to San Diego and the return by way of Fallbrook, Riverside, Pomona, and other foothill cities. Gale had an exciting experience on the Torrey Pine grade, when he lost much of his confidence in the little Excelsior, together with more of his abundant energy when he was forced to hoof it for several miles under rather difficult circumstances. They stopped in Fallbrook for lunch.

Boxing Tournament

The enthusiasm for the club boxing and wrestling tournament is not quite so strong as was expected, yet several entries have been made within the last few days, and it is expected that the event will be staged at an early date.

Good cards are already being arranged for the next club smoker, which will be held on Wednesday, April 22. A new plan for rendering decisions will be inaugurated, that of the judge system used by the Amateur Athletic Union and many of the most prominent athletic clubs staging short bouts. The plan has proved very satisfactory in most places, and is expected to be well received here.

An Aquatic Squad?

These warm days seem to have

LOCAL PRESERVE IS ON LIST FOR WILD TURKEYS

The following letter concerns the effort being made to get a flock of wild turkeys for the Santa Ana mountains:

"San Francisco, April 3, 1914.

"To Mr. T. E. Stephenson, Santa Ana, Calif.

"Dear Sir:—Reply to your letter of recent date has been delayed until we had a chance to talk over with Mr. Barrett of the Forest Service his recent trip in the southern country. From what Mr. Barrett says we are very well convinced that the section which you speak of is well adapted for wild turkeys and should we secure any new stock of birds we will be pleased to consider a very liberal plant for that section. The stock that we now have is entirely run down, they are so far from the original wild that they are little better than tame birds. We are now in communication with parties in Arizona who claim that they can secure genuine wild turkeys for us. As soon as we hear from them we will be pleased to take up the matter further with you.

"Yours very truly,

FISH AND GAME COMMISSION.

J. S. Hunter, Assistant.

loosened up the fish instinct in many by the way they are hitting the water. Why not work up a little aquatic team? With a plunge at home, and the beach nearby, this should not be at all difficult. Just remember that swimming is one of the best sports on the calendar and that there is always plenty of exercise in it.

ALLEN KEEPS HIS POCKET BILLIARD TITLE, 600 TO 346

Local pocket-billiard players, who saw Bennie Allen play in Los Angeles, will be interested to know that the Kansas City man retains his title of world's champion pocket-billiard player. He defeated Edward Ralph of Hightstown, N. J., in a match of 600 points, last Friday night at Kansas City. The score was 600 to 346.

Allen won all three blocks of 200 points each. Friday night's score was 200 to 79. Allen playing in exceptional form. Allen made high runs of 57 and 40. The best Ralph was credited with was 14.

HOT ONE BY PHELAN IN THE SPORTING NEWS

Ever hear a fight-announcer trying to announce a ball game? Unique and curious. Goes about like this:

"Gents, the wind-up will be—wotcha say, bo? Ladies? Who let 'em in? We don't stand for no wimmen at our place—Ladies and gents, the wind-up will be a nine-round contest, straight rules, between the Reds, well an' favorably known to yuh all, an' the Battlin' Joints, champions uv N'York. Kindly don't coach the fighters, and don't applaud, 'cept with yer hands, fer the authorities is here, an' they have giv' it out that there ain't tuh be no disorder. Anybody what can't remember tuh be a right gent can go out to the ticket office right now an' get his money back. The referee will be Buck Brennan—huh, two of 'em? Oh, yes, the referees will be Buck Brennan an' Kid Eason, two square an' honest sportin' men; this bout will be for the championship uv Hubbuck an' Joisy City, an' may the best gang win!"

A PECULIARITY OF MCGRAW'S CATCHER

"Chief Meyers is a great mechanical catcher," says Buck Herzog, "and a crashing batter, but I tremble when I think of what might happen to him or his team if McGraw didn't exercise unflinching vigilance. It may seem beyond belief, but whenever a new white ball is thrown into play, the Chief, unless McGraw spots him instantly, will always signal for a slow curve—the one delivery that would be instantly slaughtered by even the weakest batsman! The Giants would not go far without McGraw, believe me."—Sporting News.

PHOENIX 100-MILE MOTORCYCLE RACE WON BY EXCELSIOR

In the hundred-mile motorcycle race which was pulled off last Sunday at Phoenix, the Excelsior, driven by Don Johns, an expert driver from the Excelsior factory, won first in 96 2/3 minutes.

The Merkel was a close second, finishing only two minutes behind the winner. The Indian machine, ridden by Baker, which, it is said, was looked upon as a possible winner, did not finish.

Considering that only stock machines were entered in this race, the time is remarkably fast.

GRAMMAR BOYS OPEN POMONA IN A TRACK MEET SEPT. 9

Poly Track Team Manager Arranging Event for May 9

Known as California Grand Prix

\$25,000 PURSE HAS BEEN SUBSCRIBED

Some of World's Greatest Drivers to Take Part in the Big Ramble

Manager Paul Anderson of the High School track team is arranging a grammar school track meet to take place on Saturday, May 9, two weeks after the Triangle county meet staged by the Y. M. C. A.

Any grammar school in the county may enter athletes on payment of an entrance fee of 15 cents for each contestant. The general admission for the meet will be the same price. Entrants will not be charged admission. Contestants must be in regular attendance at one of the grammar schools of the county and must be approved by the principals.

The list of events has been made with special consideration to fit the needs of the grammar school athlete. The mile has been omitted, the half-mile being the longest distance run. One hurdle race will be shortened and the other dropped and the discuss, which is largely a matter of form and practice, has also been dropped.

The events will be the 50-yard dash, 100-yard dash, 220-yard dash, 330-yard run, quarter-mile run, half-mile run, 120-yard low hurdles (five hurdles), twenty yards apart, two and a half feet high, broad jump, high jump and shot put.

Bronze medals will be given to first place winners and ribbons to second and third place men, and a silver cup will probably be awarded to the winning school.

Students of all intermediate schools will be eligible to compete in this meet. This is the first county grammar school meet ever held by the local high school and the athletes of all grades, especially those who expect to attend high school next year, will find here a chance to show their athletic ability.

THEY WILL ENTER IN MEET AT STANFORD

Anaheim Herald: Clarence Beebe, Harold Douglas and their coach, Ben S. Milliken, of the Anaheim high school and Verle Murray of the Orange high school, will leave tomorrow (Wednesday of this week) for Stanford, where they will represent Orange county in the northern college city meet, which is to occur the 10th and 11th of April.

Beebe is an entrant for the 880-yard dash and also the mile.

Douglas will enter the 440-yard dash, and Murray, of Orange, the 220 low hurdles and 120 high hurdles.

It is expected that the popular athletes will return with distinguished honors for Anaheim and Orange county.

They are expected home the 13th of April.

CUBANS TAKE BASEBALL MUCH TOO SERIOUSLY

"The Cubans take the sport of baseball too seriously," remarked John Shibe of the Philadelphia American League Club in recalling some of the games played by the Athletics on the island. "I remember one player who had a grudge against himself every time he was called out.

"One day the Cuban was called out on strikes. He hurled his bat on the ground, growled like a dog and picked up the bat and tried to bite a piece out of it. A few innings later the same player was called out while trying to steal second base. He deliberately grabbed his right leg in both hands and tried to bite a chunk out of himself. I've heard of people being mad enough to bite themselves, but that Cuban player went nearer to doing so than any one I ever met."

CHALMERS LIGHT SIX ARRIVED HERE TODAY

The long expected and anxiously awaited Chalmers "light six" arrived in Santa Ana today and is now on exhibition in the salesroom of Waffle & West, the Chalmers agents.

This new model is called a light six, but is in no way a lightly constructed car. It is large and roomy. The motor measures 34x5 1/2, and shows great speed and power.

A number of the light six cars have been sold previous to the arrival of the first car and deliveries will be made as fast as possible in the order in which the sales were made.

AUTHORS AND PRODUCERS OF THE GREAT ST. LOUIS PAGEANT AND MASQUE FOR 150TH ANNIVERSARY

PERCY MACKAYE. AUTHOR OF THE MASQUE. THOMAS WOOD STEVENS. AUTHOR AND PRODUCER OF THE PAGEANT. JOSEPH H. SMITH. PRODUCER OF THE MASQUE. FREDERICK S. CONVERSE. COMPOSER OF MUSIC FOR THE MASQUE.

Percy MacKaye, poet and playwright; Thomas Wood Stevens, pageant master, and head of the School of Drama at the Carnegie Institute, Pittsburgh; Frederick S. Converse, one of the leading American composers, and Joseph Lindon Smith, stage producer and pageant master, are the artists of international reputation now busy working on the great drama ever given in America—the pageant and masque of St. Louis, which on the four last days of May will celebrate the 150th anniversary of the founding of St. Louis.

These four performances of the pageant and masque will be given in a natural amphitheater at the old world's fair grounds in Forest Park. In the east of the pageant and the masque will appear a total of 1,500 actors, all of whom will be drawn from the citizens of St. Louis, with the exception of forty-nine envoys—men distinguished in the field of civic art—who will be sent from representative American cities.

In the late afternoon this cast—the largest ever used in any American drama—will re-enact the principal romantic scenes in the history of St. Louis from the days of the mound builders, including stirring events of Indian warfare, the settlement of the city itself, the coming of the other nations, the passing of the Spanish, French and English flags, and the final march of the pioneers.

Following this realistic pageant, itself,

"MUGGSY" MCGRAW SOME SOUP AND A COLORED WAITER

John McGraw returned from his recent jaunt through foreign lands with this little story:

"While in Australia we took dinner one day at a hotel where they had negro waiters. The darky who served our table seemed a bit new at the work—and also a bit flustered. I ordered thick vegetable soup. He brought it and was just on the point of lowering it from the tray to the table when his nerves overcame him, he tilted the plate and the soup landed on the shoulder of a nice new coat I was wearing.

"The darky immediately began mopping up my soup-smear with a napkin, and after he had removed a certain portion of the adhering vegetables, he stooped down and whispered to me:

"Das a'right, Mistah McGraw. Don't you worry, sah. I'll bring you some mo' soup. We's got lots of it heah."—Sporting News.

WALTER JOHNSON WORTH \$40,000—JOHNNY BATES

"Tell you what I think about the salary stuff," says Johnny Bates, "if Speaker is worth \$18,000, Walter Johnson is worth \$40,000. Johnson will go out there and win you 30 games a year with his own pitching—and where is there any man who will win you 30 games with his own individual batting?"

ANDERSON AND PLAYVAN LEAVE FOR STANFORD

"Jumbo" Anderson and Ernest Playvan left yesterday afternoon on the Pacific Electric on their way to Stanford, where they will take part in the Pacific Coast Interscholastic track meet. The two local boys took an 8 o'clock train out of the Angel City. They are expected to place in the meet, Anderson in the high jump and Playvan in the broad jump.

Beebe, the Anaheim star distance man, and Murray and Douglass of Orange will take part in the Stanford meet. Beebe is expected to win the half-mile event.

SPRINTING STARS BEEBE AND DOUGLAS ENTER A. A. U. MEET

Beebe and Douglas, both of Anaheim, have sent in their entries for the A. A. U. championship meet at Occidental on Saturday of next week. Beebe's work in the mile and half-mile have been the sensation of the interscholastic season, and Douglas is equally good in the sprints.

MACKEREL RUN GIVES SPORT TO FISHERMEN

REDONDO BEACH, April 9.—The best run of mackerel of the season furnished local anglers sport on the three main piers here yesterday, several fishermen catching as many as 100 or more apiece. The sport started shortly after 7 o'clock and continued during the entire day. Rough water and continued storms have kept mackerel away from the piers up to this week, but fishermen are now predicting a successful season.

SELLS FLOTO SHOW WANTED HUPMOBILE IN THEIR PARADE

Clowns in a circus are generally given the worst of it for they have to do so many hard things and get many hard knocks in order to amuse the crowds. This order of things was reversed in the Sells-Floto Circus parade here last Tuesday when the two leading clowns were invited to ride in the parade in the swell new six-passenger Hupmobile by W. P. Baker, salesman for the Harper Motor Company. They were envied by every one in the circus when it was known that they were to have this honor. As they passed along the street with such an appearance of comfort and ease and with the Hupmobile motor all the time in the high, they were envied by a good many people in the crowds which lined the streets. This car attracted fully as much attention as some of the beautiful teams and circus wagons.

EVOLUTION OF A PITCHER.

In the village of Kazoo, Dwelt a nick named Ruben Glue.

Ruben passed the time away in the meadow pitching hay.

Ruben was a pitching freak; He could pitch six days a week.

Starting in at break of day, Ruben pitched the fragrant hay.

When the hay had all been pitched Forty horses Ruben unhitched.

Then he milked a herd of kine, Till a quarter after nine.

Then with labor he was through—Pretty soft for Ruben Glue.

Came a scout one summer's day, Piped our hero pitching hay.

Said the scout, "I'll sign that hick, Ruben Glue will surely stick."

Ruben soon got city broke, He is now a glossy bloke.

Riding 'round in Pullman cars, One of base ball's greatest stars.

He is still a pitching freak, Now he pitches once a week.

If he pitches any more, Ruben's arm gets very sore.

—L. Davis, in Sporting News.

CHECK YOUR APRIL COUGH

Thawing frost and April rains chill you to the very marrow. You catch cold—Head and lungs stuffed—You are feverish—Cough continually and feel miserable—You need Dr. King's New Discovery. It soothes inflamed and irritated throat and lungs, stops cough, your head clears up, fever leaves, and you feel fine. Dr. J. T. Davis, of Suckney Corner, Me., was cured of a dreadful cough after doctor's treatment and all other remedies failed. Relief or money back. Pleasant—Children like it. Get a bottle today, 25c and \$1.00 at your druggist. Bucklen's Arnica Salve for All Sores.—Advertisement.

LOCAL FANS WILL HAVE BASEBALL

Three-Year Lease for Grounds on Depot Street Were Signed Yesterday

REGISTER MAN HAS PAPERS SIGNED IN L. A.

Work of Levelling Grounds, Erecting Bleachers and Fences Started Today

A three-year lease was signed yesterday in Los Angeles whereby the local Moose lodge gets possession of the old baseball park property on Depot street, east of the Santa Fe tracks. S. E. Deck, the manager of the Moose ball team, and others at the head of the lodge had conferred for several weeks with the owners of the property but it was not until 7 o'clock last night that all arrangements were finally completed to the satisfaction of all concerned.

A Register reporter took the leases to the Angel City yesterday and he returned to Santa Ana with them as soon as they were properly signed, the Moose management being anxious to begin the work of improving the ball grounds immediately.

Workmen will begin this afternoon to level off the grounds. As soon as this work is finished fences and bleachers will be erected.

It is the intention of the Moose to have a "Building Day" within the very near future. All loyal Moose will repair to the grounds with shovels, hammers, saws and other building tools. Under the direction of carpenters the improvements will be gotten under way. It is quite likely that with this large force at work the biggest portion of the fence and bleachers will be erected within one day's time.

The grounds which the Moose acquire for three years used formerly to be the ball playing location for the old Santa Ana team. Many local people recall the tremendous interest the ball games aroused in the old days. "Doc" Selleck was the manager of the nine, which was one of the fastest southern teams. Later the high school got control of the grounds and they were used for school athletics for a number of years. Latterly the property has remained idle, having been used for barley-raising purposes.

News that ball-playing operations are about to be resumed in Santa Ana will be welcomed by all local enthusiasts of the game. There is no doubt but that the new venture will meet with tremendous success. There are a large number of ball fans in the city, and a large number of what might be called potential fans. As soon as it is found that the Moose is putting up good, speedy ball, in every respect worth seeing, the new movement will meet with the heartiest support.

The new Moose baseball park will be ideally located. It is close in, and of easy walking distance from the center of the city. The quarters will not be cramped. Ample room will be provided for automobiles and rigs of all descriptions.

It is practically assured that the opening game on the new grounds will be played a week from Sunday. No definite arrangements have as yet been made with any particular team but it is quite likely that the Moose will be from Los Angeles will get the first chance at the locals. The Angel City team is a strong one. On the other hand Deck's men are far from being slow.

Considering the few games which the locals have been able to play so far this season they are showing up remarkably well. There is some splendid timber in the present line-up and there is no doubt but that, when the team gets into action here every week, the first-class ball playing that is promised by the Moose management will be a certainty.

CHANCE FOR LOCAL BILLIARDISTS TO TRY FOR STATE CHAMPIONSHIP

Pocket-billiard experts are lining up for a tournament at the Majestic Billiard Academy, Los Angeles, in which the winner is to receive a trophy emblematic of the championship of California and third places are to receive \$25 and \$15, respectively. \$25 and \$15, partially paid out of the entry fees of \$5 each, the remainder being donated by Alfred E. Mackenzie.

George Kirkland, R. S. Faris, H. J. O'Brien and Frederic Lee have informally entered, pending completion of the list and conditions.

Play is to commence next Tuesday, April 14. The trophy will be made subject to challenge.

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 255.

PERKINS TO HIKE TO PEAK TOMORROW

Santa Ana Man Scouting for
the Sierra Club Climb of
Old Saddleback

A. J. Perkins of Santa Ana is going on a scouting hike to the top of Saddle Peak tomorrow. He is a member of the Sierra Club, the southern division of which is going to climb the peak on Memorial Day, and his purpose in going up the big mound now is to get detail information as to what is needed to make the trip a success.

He will be accompanied part way up the mountain by Forest Ranger Burt Stephenson of El Toro. They will go by wagon to Andrew Joplin's place, and will walk from there. Stephenson is going part way up to a point where men are at work on a new trail to the Old Saddleback lookout station of the forest service. Perkins expects to hike the rest of the way alone. He is carrying a sleeping-bag and provisions, and may spend the night in the wilds.

While away he will arrange for horses and burros to pack the club's camp outfit. The forest ranger suggested that the best way to make the trip will be to take the hikers up the new trail, which is to a point where men are at work on a new trail to the peak, and return by the old trail, which drops down into two of the prettiest canyons of the Santa Ana mountains.

"REDS" WON'T USE THE DEADLY "BEAN BALL"

The deadly "bean ball"—the high, fast shot, hurled near an opposing batter's head to scare him pop-eyed—won't get much encouragement from Herzog, and the Red pitchers, during

all the Alexandria practice, were never even told that it might be useful to frighten dangerous fellows with. Herzog has accepted the advice and example of the great Mathewson on this point, and surely Matty ought to know.

Mathewson didn't hit anyone last season—hardly ever does hit anybody—and the trick of pegging a wild, high bullet at a man's head has never interested him. Matty is good hearted, and would hate to hurt anyone, but his idea of the bean ball is simply one of common sense and deep knowledge of human nature.

A bean ball pitcher may, perhaps, frighten a raw or very nervous player, and scare him into striking out—but it works exactly the other way with a hardened, thick-necked athlete, with nothing but fury and vinegar in his disposition. When the pitcher sails a ball at such a man, it immediately tips the batter to the fact that the pitcher is scared yellow. If that pitcher wasn't trembling with dread, he'd just send them across and let it go at that—the attempt at intimidating the batsman shows that the hurler is frightened, showing the ochre streak, and ripe for plucking. Instead of bullying the batter, a grim and tough old batter will reverse the situation, and have the pitcher wobble at the knees. Dodge a bean ball, step forward and hoot at the pitcher, and Mr. Bean-pegger only prays that it will be something less than a home run.

Such is, and always has been, the belief of Mathewson; such, too, is the belief of Herzog, and hence there will be no bean ball chucking, save by absolute accident, by Red slabsmen this summer. Maybe it will work so well that other managers and pitchers will see the light.—W. A. Phelon, in Sporting News.

NICE IMPROVEMENT AT GARDEN GROVE

H. G. Allen, east of Garden Grove, is putting in electric power to pump water for irrigation on his sixty-acre ranch. Mr. Allen will greatly improve his place by setting out walnut, orange and apple trees in the near future.

NOSTRILS AND HEAD STOPPED UP FROM COLD? TRY MY CATARRH BALM

Instantly Clears Air Passages; You Breathe Freely; Dull Headache Goes; Nasty Catarrhal Discharge Stops.

Try "Ely's Cream Balm."

Get a small bottle anyway, just to try it. Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

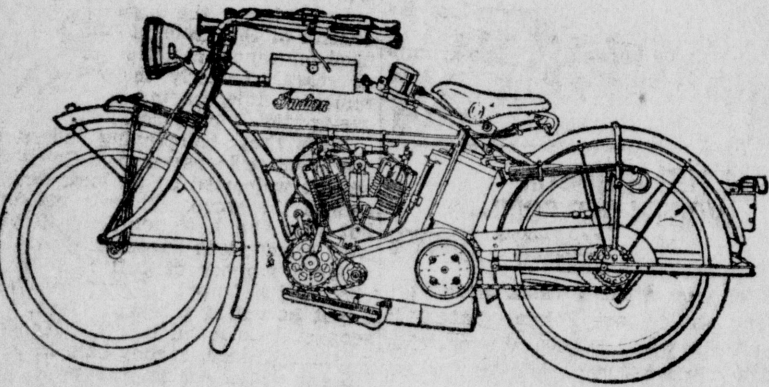

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fra-

grant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

THE CULPABLE BABBLINGS OF DIOGENES DING-BUSTIT

After much restless casting about on my part, I have finally fastened my evil talons upon the moving pictures as a pleasing subject about which to babble. Here, indeed, is a mouth-filling topic. No need to roll up my sleeves nor to spit upon my hands before beginning my verbal contortions anent the "movies." The film dramas have long been sticking me in the ribs. They have grinned at me and grimaced, have stuck out their tongues at me with the utmost of defiance. I have stood it about as long as possible.

Before proceeding to the bland business of kicking down the fragrant barrier of popular superstitions concerning the excellence of moving pictures plays I wish to allay certain fears which may have arisen among those who have been reading these scribbles from week to week. In the first place, about my frequent use of the word "I." Some sage remarked that only three classes of persons in the world are entitled to the use of the word "we"—to wit: the President of the United States, editors of newspapers and the man with a tapeworm. Now, as I am not the president nor an editor nor afflicted with a tapeworm, I feel that I am justified in the frequent use of the "first person singular."

In the second place, about the shames and abandon with which I lug in art topics, names of writers and so on, and smear them gaily upon the valuable spaces of the "Pink." If you will cast your eyes upon either of the two upper corners of the first page of this section you will find that it is called the "Automobile and Sporting Section." Mark that word, "sporting." Therein lies the crux of the whole matter. It is solely because "The Pink" must contain sporting items only that I babble glibly, now and then, about critics and makers of art of various kinds.

What connection, you ask, has art with sport. Hearken, and I shall tell you. If you have been perusing this department religiously from week to week you will have noticed that it is practically never devoid of a subtle, though pungent, aroma of "knocking." That's where the sporting element comes in. A sport is very seldom such where there is not some kind of a contest. One chap, or crowd of chaps, must win, others lose. If I like the local baseball games, I "knock" the populace for not attending. If the

local people like the thing, I knock them for liking it, even though I like it myself. I get 'em coming and going.

I realize, for instance, that the majority of Americans become fairly insane over such purveyors of honeyed balderdash as Robert W. Chambers and Harold McGrath, et al. So, always on the lookout for sporting items, I knock these scribes, or the people for having such purring tastes. It's somewhat of an unequal contest, I'll admit. I have the whip-hand, so to speak. I can say just about what I jolly well please and know almost to a certainty that I'll not be gainsaid. So you will see that, after all, dragging in the names of writers and critics is not such a far-fetched proceeding as might at first glance be supposed.

Come we now to the third, and last, place. This has to do with the question that may have occurred to several upon sundry occasions, as to why these babblings should appear in the "Pink" under any consideration whatsoever. They are the direct result of a certain belligerent perseverance that is mine. It is one of the slogans of American journalism that the daily newspaper must contain no essays. Now, although I really don't flatter myself that these babblings ARE essays, still they are not news, pure and simple. Here, then, the sporting element comes in once more. When I write a thing that even remotely resembles an essay I am taking my life in my hands. Johnson, out in the composing room, gnashes his teeth, tears his hair and converses with fluent feeling upon the subject of my ancestry every time my babblings are presented to him to be locked into the forms. It's breaking a precedent to run stuff that isn't news. I am never quite sure when his leonine wrath will finally lose control of itself and find expression in serious bodily harm to myself. I am running a risk every time I dash off this column. Therefore, it's a sporting proposition for me to continue to do so.

I find that I have just about used up my allotted space this week and have not even touched upon my real subject, moving pictures. 'Tis just as well, perhaps. I'll save it for the future. I'll continue to turn the topic over in my mind judiciously and when the time is ripe I'll loosen a lurid war whoop, kick up my heels and be able to attack "the movies" with greater gusto. Adios.

Sporting Briefs of the Week

[By Hal Sheridan]

NEW YORK, April 9.—With plans for the collection by subscription of \$100,000 to send an American athletic team to the 1915 Olympics at Berlin well under way, old Uncle Sam bids fair to walk off with another international field and track victory, despite the frantic efforts of England, France, Germany and Sweden to head us off. It will be remembered that imme-

diately after the last Olympics at Stockholm, England, with great hue and cry, set about to raise 'steen thousand dollars to spend on manufacturing a team that would give the British lion a chance to roar. Those bally Brits were going to start whang off the bat and develop a bunch of athletes who were ready to garner all the 1915 Olympic medals, honors, records and ribbons in sight. But already, according to reports from the land that has just been startled from tea-drinking habits by an exhibition of Yankee baseball which also shook the crown from and a derby hat onto King George's royal pate, the Englishers have begun to stall.

The wild enthusiasm which amateur field and track lovers of England and the colonies stirred up in the first few months following the Stockholm games has simmered down until it's as lukewarm as a pot of tea would get by the time the seven hundredth innings (that "s" belongs there) of a cricket game rolled by. When it came time to collect passable coin of the realm and actually spend it on hiring athletic trainers who had the ability to develop the athletes, there was little doing. And it was likewise when the suggestion was made that England go out into her byways to get material. Never would it do, they argued, to have a member of the common classes on an athletic team that represented England. In England, you know, Old Top-po, if any man isn't a "gentleman" he can hardly be classed as an amateur—at least it's nearly that bad. And so England appears to be back in the same old rut.

In France it has been slightly different. Those temperamental Frenchmen started right off the bat to do the same old work, and if France doesn't show up a whole lot better in 1915 it will be strange. The reports of America's Stockholm victory were not cold on the wires until the Frenchmen, backed by the government, had gathered in a great bunch of shakels—or francs—and they started in to spend the money in the right way. They established a government "college of athletes," at Rheims, and they hired some real athletic trainers—from America. The French government appropriated about \$50,000 to the "college of athletes," and went further. Any man, officer or enlisted man, in the army, who but shows promise of developing into an athlete, is "ordered" to take up his studies at Rheims. The work is going on there now in stern earnestness, and if not in 1915, then at the next Olympics, France is bound to be heard from.

Work very much similar to that being done in France, is today going on in Germany and Sweden. The German government is showing every encouragement, both financial and moral, to those that are developing athletes for the Berlin games, and in Sweden they are using that stadium they built for the last Olympic as a practice ground for developing the Swedish team.

But they have started too late for the 1915 games. The United States has too much of a lead. Witness the recent amateur indoor championships held at Madison Square Garden, where three records were smashed and several more were equalled. And be it remembered that some dozen or more "record" men whose homes are in the West and Middle West, were not among those present, and who can be counted on for points in 1915.

Even at that, however, it will never do to sit back and count the chickens just yet. That \$100,000 isn't all subscribed, and \$100,000 is a lot of money. Of course there are a lot of missionary societies who claim they need contributions, but there are also lots of

Next Week We Move to Our New Garage, Northwest Corner of Fourth and French Streets

Here We Will Handle Everything for the Auto--All Under One Roof

VULCANIZING—EVERYTHING ELECTRICAL—TIRES—ACCESSORIES—EACH DEPARTMENT IN CHARGE OF AN EXPERT.

By combining their interests, E. L. Mathews, proprietor of the Orange County Ignition Co., 421 West Fourth St., and R. L. Draper, agent for the Lozier and Cartercar, expect to minimize the cost of doing business. They will do all kinds of electrical work connected with automobiles and will also have a complete vulcanizing plant in charge of an expert at this work. Added to this, they will carry the most complete stock of accessories in Orange county.

New Garage Is Second Largest in City

places where money might be worse spent.

Many moons back we had some spicy remarks to make on the cheese fight champions of today. Not one word of those remarks is retracted. On the other hand, this is a sequel or a second volume. Never in the history of the prize ring were there such snatches as are now playing their tangoing way through the fight clubs of the country. And the worst part of it is, all of them frankly admit and without blushing, that all they care for is the coin. They care naught for the jeers and only a little more for the cheers, the latter being slightly favored because they may mean that the next purse will be larger than the last one. Willie Ritchie admits that he doesn't care a hang for the championship except that not having the title would mean smaller purses. It's the same with McFarland, Gibbons, Kilbane and Coulton. Ritchie, clever, game little fighter that he is, would rather lose a leg or an eye than his title, if he could continue to grab the gold with the title and minus the limb or optic. It wasn't like that in the olden days. Fighters of the old school fought for one or all of three reasons—glory, revenge or a living. And the least of these, in the mind of the old fighter, was the money, so long as he had enough to keep the wolf from the door and buy for his followers. Of course, this thrift business is great stuff. Far be it us to knock the habit of saving, but pray, also deliver us from the cheese champ who tangoes instead of fights, and doesn't care a hang for the public, so long as the purses are big.

INDIANAPOLIS RACE TO BE A MARVEL

De Palma Will Drive Mercedes
"Six" in the 500-Mile
Jaunt

MORE THAN 30 CARS
EXPECTED TO START

Burman Specials, Pullen, Bragg
and Wishart on Mercers and
Other Speed Demons

On the Indianapolis Speedway, Memorial Day, Ralph de Palma, the winner of the first prize in the Vanderbilt and fourth in the Grand Prize, is to drive a Mercedes "Six." His European trip has been given up and he will drive the "Six" in all the leading American speed events this season.

Eighteen cars have been entered so far for this great American classic. Frank Lowry, who will be assistant starter for the race, said, before leaving Los Angeles for the East, last Friday, that more than thirty cars are expected to be entered.

Bob Burman and Billy Knipper are to drive two cars built by Burman. An interesting entry is that of a Mercer to be driven by Caleb Bragg. Two others of the Trenton speed marvels will be driven by Eddie Pullen and Spencer Wishart. Earl Cooper, Gil Anderson and Barney Oldfield will pilot three new Stutz "Ghosts." An American built car, called the Gray Fox, which is really a Pope Special, will be driven by Wilcox. Another special built American car is the Beaver Bullet, Keene driving. One driver who will draw a great deal of attention at the forthcoming Memorial Day race is Jules Goux, winner of the last French Grand Prize. He, with Georges Boillot, will drive two Peugeot cars, which are known as marvels of speed.

Johnny Marquis, who drove such a wonderful race at Santa Monica in the Sunbeam before he turned over, is expected to enter. A Sunbeam will be piloted by Chassagne, who made 112 miles in an hour at the Brooklands speedway, in England.

Two De Lage cars, a Belgian Excelsior, a third Peugeot, a King, Harry Grant's Isotta, the Mercedes used by De Palma at Santa Monica three Maxwells, two G. W. specials and a number of private cars have been announced as possible entries, but it is too early to figure on all the cars which will line up for the start.

GARDEN GROVE HAS A REAL TEAM

Plays L. A. All-Stars Saturday
With Veteran F. Mallett
in the Box

Some real ball playing has been put up by the Garden Grove team so far this season. There are a number of big leaguers with the aggregation and they do a lot toward making the team a speedy one.

This coming Saturday, at 2 o'clock, Garden Grove meets the Los Angeles All-Stars. The rivalry between these two teams is great. The old veteran, Fred Mallett, will be in the box for the Groves and if he shows only half of his old time class he will make the Angel City nine sit up and take a great deal of notice. The line-up for Garden Grove: Fred Mallett, p; R. A. Mott, 1b; Roy Head, 2b; Eddie Corbin, 3b; Clair Head, ss; Mike Kelly, c; Smiley Pulsom, lf; J. Crill, cf; Toby Oertly, rf.

To Our Friends and Patrons

On or about April 15, we will have installed a complete and up-to-date recharging plant, and have secured the services of an expert electrician, who will promptly and efficiently take care of all your magneto and coil work. Mr. H. L. Howard comes to us highly recommended and is full of new and up-to-date ideas. Having formerly been connected with the Pope Hartford Co., he is well qualified to take care of your troubles.

Church's Progress

Anaheim Herald: The regular meeting of the official board of the First Methodist Episcopal church was held last evening in the pastor's study. The reports from the treasurer and envelope secretary showed a remarkable improvement compared with the same time last year. When the subscriptions now due are all paid in all bills will be met and a substantial balance left in the treasury. The pastor reported four received on probation, eighteen received into full membership on profession of faith and eight received by certificate. Nearly 200 have been received into the church in the last eighteen months.

LOS ANGELES PRODUCE MARKET

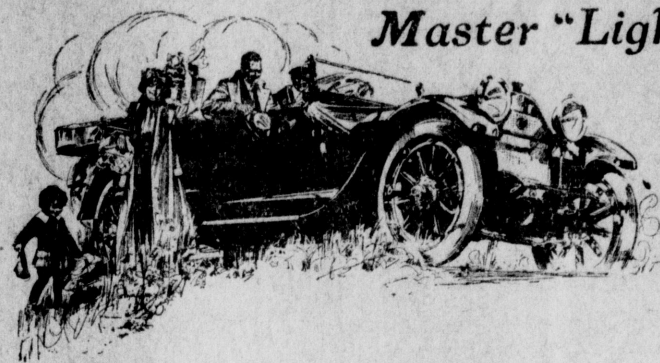

Another heavy shipment of Bermuda onions was received yesterday morning with the result that the market dropped to \$2.00 in quantity sales and from that to \$2.10. Crystal white onions also declined, selling now at \$2.40 to \$2.50. There are so few yellow onions left on the market that quotations have practically been stopped.

The price of pink beans was advanced yesterday to \$4.90, owing to the scarcity of this particular variety which is about cleaned up as far as local holders are concerned. Other beans are all steady and moving well. A few more shipments of Michigan beans are looked for in order to help supply the demand for a small white dry bean.

Local peas sold at 5 cents and were in very good demand at that figure. Northern brought up to 7 1/2. String and wax beans are still very

Chalmers 1915 "Light Six" Arrived Today

Master "Light Six" \$1950 f. o. b. Santa Ana

Our 1915 Demonstrating Car Is Here

WE beg to announce the arrival of a new Chalmers model—the 1915 "Light Six." In this new Master "Six" we offer you the latest, and we believe, in many respects, the greatest product of the Chalmers factory.

—Here is the most truly sensational "Six" on the market, the car for which thousands have waited.

—This 1915 Master "Light Six" offers you for the first time the luxury, smoothness and flexibility of the high-powered "Six" at the low initial cost and with the upkeep economy of any comparable "four."

—This new "Light Six" gives us a complete line of the famous Chalmers cars—the Master "Light Six" at \$1950 and the larger Master "Six" at \$2325. There is now a Chalmers "Six" to suit your every requirement, and we stand ready to prove that, in their classes, these two great cars cannot be equaled within \$500 of the Chalmers prices.

No Reason for Buying Fours Now

—With the appearance of the Chalmers 1915 Master "Light Six," the last reason for driving a "four" has disappeared. For in this 1915 model the Chalmers Company has answered the last arguments of the four-cylinder builders—those of price and economy.

—In all the qualities of mechanical smoothness, endurance, silence, flexibility, and good looks, the 1915 "Light Six" is like the larger Master "Six" at \$2325.

—It has the same T-head, long stroke motor! the same silent one-motion Chalmers-Entz electric starter which makes the motor non-stallable; the same wonderful flexibility which has earned for Chalmers "Sixes" the title of "one speed" cars. It is a real manufactured car—built complete in Chalmers shops.

—But the Master "Light Six" is built expressly for those who want a car of low initial cost and economy of maintenance.

—This new "Light Six" is slightly smaller than the Master "Six." That means lower cost and makes possible the astonishingly low price of \$1950.

Light for Economy; Heavy Enough for Service

—The Master Light "Six" is a lighter car, but not a little car. It is light enough to be easy on tires, economical of fuel and easy to handle. Yet it is not flimsy. It is built heavy enough to assure safety in any emergency and comfort on any road. Don't make the mistake of buying too light a car—for any apparent saving in first cost, gained through skimping, is more than offset

by the costly repairs which result from too light construction. Medium weight is right weight. The extra gasoline used by a medium weight car as compared with a very light car won't amount to \$25 in 10,000 miles. And \$25 won't buy many repairs for a car so flimsy that it shakes itself to pieces in ordinary service.

—The 1915 "Light Six," like all Chalmers cars, is built to give satisfactory service through many seasons.

—This latest Chalmers has a slightly smaller motor than the Master "Six." Yet it develops up to 50 horsepower, giving all the speed and all the power you will ever want in a car of this size. No car of equal motor and car size will show greater mileage per gallon of gasoline.

High-Priced Features; Low Cost

—Though the price of the 1915 Master "Light Six" is only \$1950 it has all the features of high-priced cars. Such, for instance, as:

6-cylinder en bloc motor with small bore and long stroke; cork insert disc clutch; left drive and center control; interlocking transmission gears which can't slip or be accidentally shifted; combination splash and direct oiling; cellular radiator; diamond-hard Tungsten steel valves; exclusive Chalmers design modeled oval fenders; underslung Vanadium springs; non-stallable motor; Chalmers-Entz electric starter; tires carried at rear, giving absolutely clear running boards; the newest design streamline body with flush fitting doors; electric lights and horn. In a word, every feature of advanced construction and equipment which most cars in the \$2000 class will not have for another year.

A Year Ahead of Others

—These are a few of the reasons why experts have declared this 1915 Chalmers "Light Six" the last word in medium priced 6-cylinder construction; why we claim you will find no car in the same class within \$500 of the price to equal the 1915 Master "Light Six."

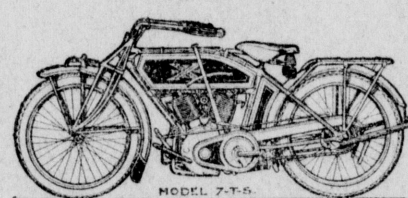

—The other reasons why the Master "Light Six" is one year ahead of all other cars in its class, we'll be glad to show you in the Chalmers Standard Road Test. We are now arranging demonstrations, and can make prompt delivery if you place your order as soon as the 1915 "Light Six" has convinced you. At least do yourself the justice of a thorough inspection of the one "Light Six" which is a year ahead of all others.

1915 Chalmers "Light Six" 5-passenger\$1950

A Potpourri of News and Views

From the Los Angeles Financial News

Uncle Sam and German Oil Trust

The Government of the United States has taken a hand in legislation in Germany by presenting, through its ambassador in Berlin, a protest against the petroleum monopoly bill recently introduced in the Imperial Parliament of Germany. This protest expressed the confident expectation of the United States Government that certain injustices toward American investors contained in the monopoly bill in its present form will disappear before enactment. The United States, it points out, has no wish either to intervene against Germany's establishment of an oil monopoly nor to interfere with any price arrangement between the Standard Oil Company and the German Government, should such be under consideration. It expects, however, that American citizens who have invested capital in German enterprises—for instance, the Standard Oil Company's German subsidiary concern—will be fully and fairly compensated for all investments canceled by the measure.

Debate upon the bill has been postponed until April 8 and it is likely that a further postponement will be made. Two Berlin papers, the Vossische Zeitung and the Borsen Zeitung, express surprise that the protest has been raised at this late date, after the deliberations of the preceding months. The Borsen Courier says:

"There has been no doubt from the first that the influence of the Standard Oil Company would prevail with the United States Government, which is now attempting to prevent Germany from protecting effectively its economic interests. The United States, while warring sharply against the trusts at home, is unwilling to allow Germany to protect herself against the ruthless campaign of the Standard Oil Company. We hope that the German Government will leave nothing lacking in bluntness and energy in its reply to the United States, and that it will maintain its rights to settle its economic questions in its own way."

With the Railroad Commission

The Southern California Edison Company and the Downey Light, Power and Water Company have joined in an application to the Railroad Commission asking authority to transfer the Downey Company to the Southern California Edison Company for \$50,938.30. The Downey Light and Power Company has operated at Downey, Los Angeles County, and secured its electricity from the Edison Company. The application states that if the transfer is authorized, it will permit the construction of new facilities and make available better service.

The Southern California Edison Company has also filed with the commission an application asking authority to sell 30,000 shares of its common stock at the par value of \$100 a share. If the issue is authorized the proceeds will be used to pay the cost of extensions, for reimbursing the applicant's treasury and for the acquisition of property to improve the facilities of the corporation. The petition sets forth the approximate expenditure for 1914 of \$3,500,000 for extensions and additions to the plant. The commission is asked to authorize the sale of stock at 82½ under contract with an underwriting syndicate.

Must Sue Standard Oil

Attorney General Hogan of Ohio, who announced that he would not institute ouster proceedings against the Standard Oil Company of Ohio on the allegation that it was being operated in violation of the Sherman act, as also an Ohio statute, his investigation being to the contrary, must now bring suit. In the Common Pleas Court in Columbus Judge Dillon granted an alternative writ ordering the Attorney General to institute proceedings to oust the Standard Oil Company and its subsidiaries, including the Imperial Oil Company of Canada, from doing business in Ohio. The case is set for hearing April 20.

Declare Earth Not Solid

Drillers who have penetrated the earth with drills at Okdale, Pa., to a depth of \$6500 feet, almost 1¼ miles, discredit the statement credited to Professor Albert A. Michelson of Chicago that the earth is solid and more rigid than steel. The drillers in this deepest well ever drilled declare that their drills, made of specially hardened steel, can be used for only a few minutes at a time, as the point softens and flattens. When brought to the surface the drills are red hot. Therefore, they declare this is proof that the interior of the earth is hot and not at all rigid.

For Cheaper Postage

Business men of San Francisco have inaugurated a campaign for 1 cent postage on all letters instead of 2 cents. They urge their friends to join the National One-Cent Letter Postage Association, Cleveland, Ohio, and to give active support to the propaganda. M. P. Lilienthal, secretary of the Anglo-California Trust Company, heads the movement in San Francisco.

Favor Municipal Ownership

Los Angeles Chamber of Commerce has gone on record, in a report of a special committee appointed to investigate the matter, as favoring municipal ownership of the power plants and recommended that the power bonds in the sum of \$6,500,000 be authorized by a vote of the people.

Railroad Retrenchment

Eastern and Southern railroads are cutting down expenses by curtailing the number of trains and reducing the force of employees, both in the traffic and mechanical departments. Several thousand men have been dropped from the rolls of the Pennsylvania system, 8000 on the Norfolk and Western and since December 6000 on the Erie. Retrenchment is also being made in improvements now under way.

Sugar Production

According to figures compiled by the International Institute of Agriculture at Rome, the total production of raw beet sugar for the season of 1913-14 in Russia, Roumania, Germany, Austria, Belgium, Denmark, France, Hungary, Italy, Netherlands, Switzerland and the United States amounted to 8,960,000 short tons, which is 2.03 per cent greater than the previous year. The final estimate of production of raw cane sugar the past season in India is 2,534,112 tons, or 87.6 per cent of the previous year's crop.

High Taxes and Living

Stuyvesant Fish, in a communication to the New York Times on the high cost of living, he says, to extravagant costs of Government, as a factor in the slackening of business, says in part.

"A great cause for the present slackening in business lies in the appreciation of those conducting business, big and little, of what an awful amount of taxes they are directly paying. Precisely as landlords pass their taxes on to their tenants by raising rents, so business men pass theirs on to customers by raising prices. The following table shows the burden of taxes borne by the average man, woman and child in the city of New York in 1893 and 1913:

Taxes per Capita...	1893	1913	Increase—
Federal	\$ 5.77	\$ 7.92	\$ 2.15
State	2.39	5.10	2.71
City	18.33	28.25	9.92
Total	\$26.49	\$41.27	\$14.78

"From the foregoing it will be seen that in the year 1913 the average head of a family of five in this city had added to its cost of living, for the privilege of being governed, \$201.85, which is rather more than 67 cents for each one of the 300 working days in the year. Nor is this the full measure of the evil, for, through what Governor Glynn justly denominates 'a prodigality in expenditures,' a recklessness in appropriations, we had in those twenty years the following increase in the public debt:

	1893	1913	Increase
Federal	\$ 585,037,100	\$ 965,706,610	\$ 380,669,510
State	763,160	109,702,660	108,939,500
City	98,758,764	1,122,690,042	1,023,931,278

Total \$ 684,550,024 \$2,198,099,112 \$1,513,549,288

"Is it not, therefore, high time that we should now begin the slow process of educating the whole people to an appreciation of the awful waste which is going on in Government—Federal, State and municipal—and of how it enhances the cost of living? Should we not do this before the excess of taxation shall have destroyed business, and brought on another dreary period of general depression?"

About Your Telephone

The American Telephone and Telegraph Company and associated companies, the Bell system, have been running a series of advertisements in the magazines that are not only unique, but are of a character that attract instant attention when the page containing it is reached; besides, it tells a story in brief that, while filled with figures, is unusually interesting. This advertisement details the unseen forces behind your telephone. Here are some of the facts which are presented in this unusually readable advertisement: The cost of the materials unassembled is only 45 per cent of the cost of construction of a telephone plant. In its system there are 12,480,000 poles used—enough to build a stockade around the State of California—and worth in the lumber yard about \$40,000,000. Carried on these poles are 15,460,000 miles of wire, enough to girdle the earth 621 times, and worth \$100,000,000, and attached to these wires are 8,000,000 telephones, enough to string around Lake Erie, while the number of people employed by this one telephone system is 150,000, which number is greater than the entire population of Wyoming.

Compensation Law Too Drastic

That the Workingman's Compensation law is too drastic and is keeping capital out of California, is the view of Lewis H. Eddy, associate editor of the New York Engineering and Mining World, who is a Los Angeles visitor. He is so quoted in an interview and continues thus:

"Money which has been diverted from California by the unwise legislation is going into Alaska. The announcement that a Federal railroad would be built there has attracted an immense amount of capital. It is unfortunate for California that any law should make investors timid right at the time when Alaska is making a strong bid for the attention of investors. A large number of mine properties are lying idle in the State, which probably would be in operation if capital had not been scared out. I take the view that the situation will be relieved by an application of the law that will not work a hardship on mine owners. In spite of the situation, the mine output in the State will be tremendous this year. Interesting features of the mining situation at this time are the increased use of electrical power and the advancement made in metallurgy."

Must Pay Big Fee

The General Electric Company of New York, says a Helena, Mont., dispatch, will be obliged to pay a fee of \$10,322 if it transacts business in the State of Montana, according to a ruling of the State Supreme Court. The General Electric applied to the Supreme Court for a writ of mandate to compel the Secretary of State to accept a proffered fee of \$13 for recording the company's papers there, holding that the provision of the State law under which the State fixed the fee is invalid, as it imposes a tax on property outside the jurisdiction of the State. The court holds the fee demanded is not a property tax at all, pointing out it is graduated according to the par value of the company's capital stock without reference to the full cash value of the property owned by the corporation. It holds the fee demanded is a license tax "exactable of every corporation, domestic as well as foreign, engaged in interstate business, for the privilege of doing business within the State."

Modifies an Order

The State Railroad Commission has rendered a decision in which it modifies its former order made on the application of the Los Angeles Gas and Electric Corporation to issue \$900,000 in bonds. The original order required that the bonds net not less than 94½ on the first \$250,000 and not less than 94½ on the remaining bonds. The sum of \$400,000 of the amount authorized has been disposed of. The modification permits the company to sell the balance at not less than 92 plus accrued interest.

Oil Magnate Meets Death

In an automobile accident near Taft Monday night, Washington D. Head of Los Angeles, president of the W. D. Head Drilling Company and a director of the Wilke-Head Oil Company, was killed instantly. The machine in which he was riding ran into a washout and was hurled down an embankment, pinning the unfortunate man beneath it, causing instant death. His assistant, Thomas Dell, who was driving the machine, was seriously hurt.

Pertaining to Banks

The Portuguese-American Bank, San Francisco, has applied for authority to operate a branch commercial and savings bank in Oakland. An application from the Placer County Bank, Auburn, Placer County, to establish a branch at Newcastle, Placer County, has been refused.

NOTICE TO CONTRACTORS

Sealed bids for the improvement of Section 1, Newport Beach and Newport Avenue roads will be received by the Board of Supervisors of the County of Orange, State of California, up to 2 o'clock p. m. of the 14th day of April, 1914, at their office in Santa Ana, to be there publicly opened and read.

The work to be done in accordance with the profiles, plans and specifications adopted by the Board of Supervisors and on file in the office of said Board, and in the office of the County Highway Commission.

Copies of plans, profiles and specifications and also blank forms suitable for use in bidding on said work may be obtained in the office of said Highway Commission, and no bid will be considered which is not in accordance with the form herein referred to.

Each bid must be accompanied by a certified check to the amount of five (5) per cent of the total of the bid, made payable to the County of Orange, as a guarantee that the bidder, if awarded the contract, will enter into a contract for the performance thereof satisfactory to said Board of Supervisors. And in addition thereto, the successful bidder will be required to file a bond in the sum of twenty-five (25) per cent of the amount of the contract, with a guarantee of faithful performance of the contract, and a further bond in the sum of fifty (50) per cent of the amount of the contract, with acceptable sureties, to secure the payment of laborers, materialmen, etc.

The Board of Supervisors reserves the right to reject any and all bids not deemed advantageous to the county.

By order of the Board of Supervisors of the County of Orange, 18th day of March, 1914, to be this 31st day of March, 1914. (Seal) W. B. WILLIAMS, County Clerk and Ex-officio Clerk of the Board of Supervisors.

NOTICE TO CREDITORS
Estate of John H. Adams, deceased. Notice is hereby given by the undersigned administrator of the estate of John H. Adams, deceased, to the creditors of, and all persons having claims against the said deceased, to exhibit the same with the necessary vouchers, within four months after the first publication of this notice (which publication was first made on the 15th day of March, 1914), to the said administrator of said estate at the office of Williams & Rutan at Room 7, of the Farmers & Merchants National Bank Building, in the City of Santa Ana, County of Orange, State of California, which is hereby designated as the place of business of said administrator, and of said estate in the County of Orange.

Dated this 18th day of March, A. D. 1914. EVA M. ADAMS, Administratrix of the estate of John H. Adams, deceased.

There is human-interest in the classified ad. Nearly everybody wants to read what is offered on the classified pages. One neighbor would see what another neighbor has to offer. One person would read all the ads, moved with interest to note the contents of these ads. Still another person reads all the classified ads in the Register from motives of thrift and self-interest—to find some offering that will be of material advantage to him or her. Register classified ads are read by thousands daily.

8 acres full bearing walnuts, close in, for \$10,500. This is the best buy by \$2000 of any walnut grove on the market.

SAV MATEO POOLS FILLED WITH SAND A DISAPPOINTMENT

While Fishing There is not
What It Used to Be, Trip
Is Wonder

Those Who Like a Real Rough
Trail Will Find It Rough
Enough

The storms of the winter played a dirty trick on the anglers who like to take the hard trip over the ridge into the upper part of the San Mateo canyon. In previous years there have been lots of fine trout taken out of a number of deep pools in that portion of the stream. The storms brought down a lot of sand, and the pools are filled up.

Of course, there is fishing to be had at any point along the stream; but there is nothing like the easy angling there used to be. A fellow could slip along from one deep granite lined pool to another, and if he had any kind of luck at all he was certain to get some of the kind of trout that one reads about.

George Spangler was one of a party that went over into the San Mateo for a couple of days of fishing. From an angler's point of view the trip was no great success, though a goodly number of speckled beauties were hooked. That is, the fishermen failed to get anything like what the hard trip ought to entitle them to.

Another heavy storm might free the pools again.

To get to the upper San Mateo, one may drive by wagon to a point two or three miles beyond Garibaldi Carrillo's house, which lies just over the top of the serrated ridge seen to the east when one is driving up San Juan Hot Springs canyon. The road turns off to the right from the San Juan at a point a mile or so above the corral, and crosses the Goveña. From beyond Carrillo's mountain ranch, an exceedingly rough trail drops down into the San Mateo. It is a great trip from a scenic point of view, and worth the trip to any lover of the out-of-doors, and any person who likes to rough it has a trail here that is certainly rough. It is both steep and brushy.

Down in the canyon is as pretty a stream as is to be found in this section of the country. There are plenty of camping places, and throughout the summer there is always a cool stream of water. But the best of the fishing pools are now out of commission, which, however sad a tale it may be, is nevertheless true and a disappointment to those who have brought out thirteen-inch trout to reward them for taking the trail.

Strengthens Weak and Tired Women
"I was under a great strain nursing a relative through three months' sickness," writes Mrs. J. C. Van De Sande, of Kirkland, Ill., and "Electric Bitters kept me from breaking down. I will never be without it." Do you feel tired and worn out? No appetite and food won't digest? It isn't the spring weather. You need Electric Bitters. Start a month's treatment today; nothing better for stomach, liver and kidneys. The great spring tonic. Relief or money back. 50c and \$1.00 at your druggist. Advertisement.

AN ALL SOUTHERN TRACK TEAM; HAS FOUR COUNTY MEN

Four Orange county athletes are in the list of an "All-Southern" track team "doped" out by a writer on the Los Angeles Times. They are Beebe of Anaheim, for the half mile; Douglass of Anaheim, for the 440-yard dash; Murray of Orange, for the 120-yard high hurdles, and Plavan of Santa Ana, for the broad jump. Following is the complete list:

The 100-yard dash—Hynson, Redlands.
The 220-yard dash—Wark, Long Beach.
The 440-yard dash—Douglas, Anaheim.
Half mile—Beebe, Anaheim.
Mile run—Yerkes, Manual Arts.
The 120-yard high hurdles—Murray, Orange.
The 220-yard low hurdles—House, Riverside.
Shot-put—Bagnard, Pasadena.
Discus throw—Hall, Santa Ana.
Pole vault—Grieve, Hollywood.
High jump—Creighton, Manual Arts.
Broad jump—Plavan, Santa Ana.
Relay team—Pomona High.
All around—Thomson, L. A. High.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe
to Darken and Beautify
Faded Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and scraggly, just an application or two of Sage and Sulphur enhances its appearance a hundred-fold.

Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wyeth's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.—Advertisement.

COLLINS' MOTORS FOR SATURDAY'S SAN PEDRO RACES

Swift Water Wagons Entered
by Balboa Men Expected
to Show Speed

Two boats owned by W. S. and Lee H. Collins of Balboa will be in the motor boat races at San Pedro harbor next Saturday. The "W. S.," a sixty-horsepower twenty-foot hydroplane will be the "dark horse" in the main event of the afternoon, the arbitrary handicap. The W. S. has shown thirty-five miles an hour on Newport Bay, it is said. She has never raced with the San Pedro boats. The Collins' entered her officially as a twenty-eight mile boat. The other entrant from Balboa is a new 100-horsepower fifty-five foot cruiser, owned by the beach men. Her speed also is unknown. Both boats will fly the S. C. Y. C. burgee.

There is a great deal of interest in official program, which was issued Monday. The veterans, Fellows, Voorhauer, Bill Ruess, Garbutt and the two new racing skippers are bound to attract a big crowd of enthusiasts to the twelve-mile course from Wilmington to the harbor entrance. The motor boat racing is part of a big program that has been arranged in honor of the American-Hawaiian S. S. C., which begins soon to make San Pedro a port of call.

Just Received This Week, Another Carload of the Reliable

The Most Suitable and Sound Investment for the Whole Family--Price \$1075

RIGHT now thousands of families are daily depriving themselves of an endless chain of economical pleasures, comforts and benefits that could be theirs just as well as not. Get a big handsome Overland touring car into the very midst of your family, and you increase the pleasures and broaden the viewpoints of everyone in the house.

—Thousands could be enjoying a better life, a fuller life, and could be getting a whole lot more fun out of life if they had a spick and span brand-new Overland at their beck and call. Ever figure it out that way? Well it's time you did.

—Nearly 150,000 of the most substantial American families own Overlands. And every Overland owner is a loyal booster. Find the Overland owner in your neighborhood. Get his experienced opinion. Talk to him before you make your decision.

—He knows the difference.

—Taking everything into careful consideration, the Overland is the most practical all-year-around-family car on the market. It is not too large, nor is it bulky or cumbersome. On the other hand, it is not small, dinky or stunted—but just the right size for the full comfort, and the complete and everlasting enjoyment of every member of your home circle.

—It seats five large people with ease. No crowding, no jamming—just solid comfort all the time. Then—anyone can drive

an Overland—father, mother, daughter or son. There is practically nothing to learn.

—Soft, deeply tufted leather cushions and springs of exceptional elasticity allow you to take the roughest spots and hardest ruts without jerk, jolt or jar.

—It is a big thirty-five horsepower touring car which gives you all the speed and power you will ever want.

—The long wheel base, in addition to giving you ample leg room, also adds to the riding comfort.

—So do the large tires.

—And the price—

—Other cars of similar specifications cost a great deal more. How much? That varies. But in practically every case a careful comparison will prove to you that an Overland costs a full 30 per cent less than any other similar car made.

—In view of this can you afford to pay more for some other car that does not give you as much as you can get in the Overland?

—Then again—

—The Overland is outselling every other similar car made. This is a positive indication of how the buying public regards this car as against all others.

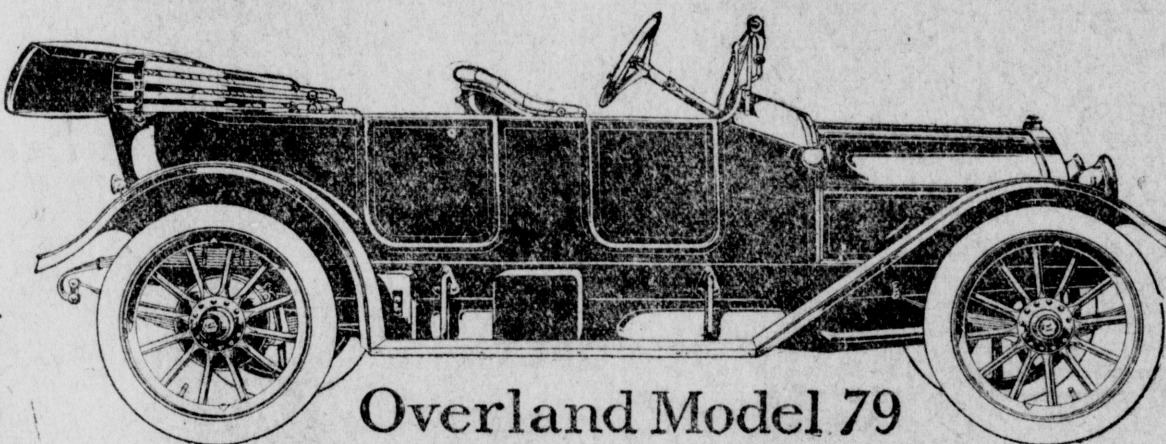

—Remember the cost is 30 per cent less.

—Spring is here. Get your family out of doors all you can.
